The Committee shall ascertain that the exterior design and exterior finishes of any structure are in harmony with the above-stated goals and standards to the end that the dwellings located in the Subdivision are uniform and aesthetically pleasing, without the utilization of garish colors or architectural design. In fact, the Committee shall be the sole arbitrator of said exterior design and finish and may withhold approval for any reason, including purely aesthetic considerations.
- (b) Complete landscaping shall be required with each dwelling House.

- (c) Meetings of the Committee may be held at such time and place as the members shall determine, and provided a majority of the whole Committee is present, no prior notice is necessary. The Committee and/or the Association is specifically authorized to delegate these duties to a commercial realty management company, if the Committee/Association deems necessary or expedient.
- (h) For good cause shown, the Committee shall have the authority to waive all or any part of the hereinafter set forth restrictive covenants as to minimum square footage where the proposed improvement, because of unusual or extraordinary shape or design, does not meet said minimums, but such improvement will in the sole discretion of said Committee be a complementary asset to the Development. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Lot Owner at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to successors in title of said person unless expressly assumed by them.

Said fee amounts may be revised from time to time in the sole discretion of the Managing Agent and/or the Developer. Pending the transfer of the control, the Developer shall be obligated to pay an amount at his discretion of the assessment amount payable by other Lot Owners of all Lots owned by the Developer and currently Platted on recorded Plats recorded in the Rutherford County Register of Deeds. To the extent that the Association is unable to pay all costs of maintaining the Common Areas and administering the Association, Developer agrees that it will loan additional monies to the Association on an interest free basis to fund any such deficits. The Association may bring an action at law against the Lot Owner personally obligated to pay the same, or foreclose the lien against the Lot, and there shall be added to the amount of such assessment all collection costs, including reasonable attorney's fees, and the costs of bringing such action or foreclosure. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. The Association reserves the right to require any Lot Owner to deactivate or remove any light which the Association deems to be unattractive or a nuisance to other Lot Owners. Tasteful holiday decorative lighting is permitted from Thanksgiving until January 7 subject to any rules established by the Association regarding the types and extent of such lighting.

SECTION 28. WINDOW UNITS. All supplements to the central air conditioning system must be used, erected, placed or maintained to the rear of the main residential structure. No window or wall type air conditioning units shall be permitted to be seen from the street view of any Lot and all such units shall be installed flush with the exterior wall surface.

SECTION 29. RECREATIONAL EQUIPMENT. All playground and recreational equipment must be used, erected, placed or maintained to the rear of all Lots. Wood construction for such equipment is encouraged. No metal play equipment is allowed. No tree houses, play houses or other such structures shall be allowed except as may be specifically allowed by Rules of the Association.

SECTION 30. MAINTENANCE. All Lots, together with the exterior or all improvements located thereon, shall be maintained in a neat and attractive condition by their respective Owners or occupants. Such maintenance shall include, but not be limited to, painting, repairing, replacing and caring for roofs, gutters, down spouts, building surfaces, patios, walkways, driveways and other exterior improvements. The Owner or occupant of each Lot shall at all times keep all weeds and grass thereon cut in a sanitary, healthful and attractive manner and all trees and shrubbery pruned and cut. In addition, each Lot Owner shall be responsible for maintaining the right of way and any Common Area between such Lot Owner's Lot and the street. Each Lot Owner agrees to abide by rules which may be established by the Association regarding specifics on maintenance of Lots and residences on the Lots as well as any requirements regarding plantings on Lots. No Lot shall be used for storage of material and equipment, except for normal residential requirements or incident to construction of improvements thereon as herein permitted. The accumulation of garbage, trash or rubbish of any kind and the burning (except as

permitted by law) of any such materials is prohibited. In the event of default on the part of the Owner or occupant of any Lot in observing the above requirements or any one of them, each default continuing after ten (10) days written notice thereof, the Association may, subject to approval of its Board of Directors, enter upon said Lot, repair, maintain and restore the same, cut or prune or cause to be cut or pruned, such weeds, grass, trees and shrubbery and remove or cause to be removed, such garbage, trash and rubbish or do any other thing necessary to secure compliance with these restrictions and to place said Lot in a neat, attractive, healthful and sanitary condition. In so doing, the Association or its agents shall not be subject to any liability for trespass or otherwise. All costs incurred in any such repair, maintenance, restoration, cutting, pruning or removal shall be charged against the Owner of such Lot as the personal obligation of such Owner and as a lien upon the Lot, enforceable and collectible in the same manner and to the same extent as a maintenance assessment. Any occupant of such Lot shall be jointly and severally liable with the Owner of the payment of such costs.

The Association shall contract with one (1) or more landscaping services to provide grass cutting, lawn maintenance, proper care for all trees, shrubbery and other landscaping, and other necessary maintenance services for the Common Areas, provision for which shall be made in the quarterly or annual assessments.

SECTION 31. DAMAGE DESTRUCTION OR MAINTENANCE. In the event of damage or destruction to any structure located on the Property, the respective Owner thereof agrees as follows:

- (a) In the event of total destruction, the Owner shall promptly clear the Lot of debris and leave the same in a neat and orderly condition. Within sixty (60) days of any insurance settlement, the Owner must commence to rebuild and reconstruct the structure. Any such rebuilding and reconstruction shall be accomplished in conformity with the plans and specifications of the original structure so destroyed, subject to any changes or modifications as approved by the Developer or the Association or Architectural Review Committee, as the case may be, in accordance with this Article V hereof.
- (b) In the case of partial damage or destruction, the Owner shall as promptly as an insurance adjustment may be made, cause the damage or destruction to be repaired and restored in a first class condition in accordance with the plans and specifications of the original structure and in conformity with its original exterior painting and décor. Any change or alteration must be approved by the Developer or the Association, as the case may be, in accordance with Article V hereof. In no event shall any damaged structure be left unrepaired and unrestored for in excess of sixty (60) days from the date of the insurance adjustment.
- (c) If the correction of a maintenance or repair problem incurred on one Lot necessitates construction work or access on another Lot, both Owners shall have an easement on the Property of the other for the purpose of this construction. Each party shall contribute to the cost of restoration thereof equally, unless such damages

were caused by the fault of any Owner, in which event the Owners shall allocate the cost of restoration in proportion to the relative fault of the parties.

SECTION 32. HOBBIES AND ACTIVITIES. The pursuit of any inherently dangerous activity or hobby, including, without limitation, the assembly and disassembly of motor vehicles or other mechanical devises, the shooting of firearms, fireworks or pyrotechnic devises of any type or size, the use of bows and arrows and other such activities shall not be pursued or undertaken on any part of any Lot or upon the Common Areas without the consent of the Association.

SECTION 33. USE OF COMMON AREAS AND AMENITIES. The Association may publish regulations from time to time governing the use of all of the Common Areas including all amenities located thereon. Such regulations may be enforced in the same manner as the provisions of this Declaration. No Lot Owner shall be allowed to make improvements on any portion of the Common Areas.

SECTION 34. DRAINAGE. No Lot Owner shall place fill on any Lot or place fences, trees or landscaping in such a location or position that will interfere with the existing drainage on or from other Lots or the Common Areas.

SECTION 35. CURB CUTS AND DAMAGE. Any builder or Owner who makes a curb cut or damages any Common Areas shall be responsible for repairing same at his sole expense and at the direction and to the satisfaction of the Developer or the Association. Builder or Owner shall reimburse Developer for the cost of any such repairs if Developer repairs damages.

SECTION 36. RULES AND REGULATIONS. The Association shall have the right to pass rules and regulations governing additional aspects of and imposing additional restrictions on the use and maintenance of the Lots and use of and maintenance of Common Areas. Said rules and regulations may include (without limitation) the right to make additional special assessments against specific Lot Owners as a result of a Lot Owner's (or any agent or invitee of a Lot Owner) violation of any of the terms of this Declaration or of any rules or regulations promulgated hereunder. In addition, the rules and regulations may provide that Lot Owners shall be responsible for maintenance of limited portions of Common Areas immediately adjoining their Lot. Any and all assessments made pursuant to the rules and regulations shall be deemed assessments properly made pursuant to the terms of this Declaration and may be collected by the Association in accordance with the provisions as contained herein. In addition, the Rules and Regulations may include (without limitation) restrictions and rules regarding any and all aspects of the use of the Lots and residences thereon as well as the common areas regarding any matter which the Association believes should be regulated in order to preserve their desirability and attractiveness and/or provide for maintenance of the Development if the Association reasonably determines that such rules and regulations shall benefit the overall Development. Specifically, and with limiting any additional matters which may be addressed in the Rules and Regulations, the Rules and Regulations may regulate lawn art, lighting, neon signs, interior window coverings that are visible from the street and holiday decorations. In addition, the Board of Directors of the Association shall have the power to set,

assess and collect fines from Lot Owners for violations of this Declaration or any Rules of the Association.

SECTION 37. RENTALS. Except under extraordinary circumstances as recognized and approved in writing by the Architectural Review Committee, no dwelling house shall be rented or given over to let (including so-called 'lease purchase' or 'lease to purchase' agreements) for any purpose whatsoever, any lease being strictly prohibited.

ARTICLE VI INSURANCE

SECTION 1. COMMON AREA. The Association shall keep in force and maintain such hazard, public liability, or other insurance as it shall deem necessary relating to the Common Area and any amenities located thereon. The Association may also insure any other property, whether real or personal, owned by it, against such hazards as may be deemed desirable by the Association. Premiums for all insurance carried by the Association shall be part of the expenses covered by the annual assessments of the Association.

SECTION 2. LOTS. Insurance against damages by fire or other casualty to the improvements on any Lot, liability insurance with respect to occurrences on any Lot, and other insurance relating to each Lot, shall be the responsibility of the individual Lot Owners.

SECTION 3. FIDELITY BONDS. At the discretion of the Board of Directors of the Association, blanket fidelity bonds will be maintained by the Association for all officers, Directors, trustees and employees of the Association handling, or responsible for, the funds of or administered by the Association. Further, in the event the Association delegates some or all of the responsibility for the handling of funds to a management agent, a blanket fidelity bond will be required for officers, employees and agents of such management agent handling, or responsible for, the funds of or administered on behalf of the Association.

- (a) The total amount of fidelity bond coverage shall be based upon the best judgment of the officers of the Association and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association or the management agent, as the case may be, at any given time during the term of each bond. However, in no event may the aggregate amount of such bond be less than a sum equal to three (3) months aggregate assessment on all Lots plus reserve funds.
- (b) All such fidelity bonds shall:
 - (i) Name the Association as an obligee;
 - (ii) Contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees" or similar terms or expressions; and

(iii) Shall provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least ten (10) days prior written notice to the Association.

(c) Premiums on all such fidelity bonds (except premiums on fidelity bonds maintained by a management agent for its officers, employees and agents) shall be paid by the Association as a common expense.

SECTION 4. OTHER INSURANCE. The Association may also obtain such other insurance as the Board of Directors deems desirable, in such amounts, from such sources and in such forms as it seems desirable, insuring the Common Area owned and maintained by the Association and insuring each member of the Board and officer of the Association, and each member of any committee appointed pursuant to the By-Laws of the Association, from liability arising from the fact that said person is or was a Director or officer of the Association, or a member of such a committee. The premiums for such insurance and bonds shall be a common expense of the Association.

Unpaid officers and Directors of the Association shall not be liable to any Lot Owner for any act or omission unless the act or omission constitutes gross negligence or willful misconduct. If an unpaid Director or officer of any of the Associations prevails in any legal action brought against him in his official capacity by a Lot Owner, that Lot Owner shall pay the Director or officer all his reasonable legal fees.

ARTICLE VII EASEMENTS

SECTION 1. UTILITY EASEMENT. A perpetual easement is reserved on each Lot five (5) feet in width, contiguous and parallel to each side and rear Lot line for the construction and maintenance of utilities, such as drainage, electricity, gas or water main, sewage, etc., and no structure of any kind shall be erected or maintained upon or over said easement. This perpetual easement is in addition to any and all easements as shown on the recorded Plat.

SECTION 2. LANDSCAPE EASEMENT. A perpetual easement, as shown on the referenced Plat, shall be reserved for the purpose of the construction and maintenance of common area entrance walls, signage, fences, landscaping, lighting, center roadway median and irrigation. Such improvements shall be maintained by LIBERTY HEIGHTS, L.P., (the Developer) until such time that the Developer assigns responsibility for this maintenance to the LIBERTY HEIGHTS HOMEOWNERS ASSOCIATION. The costs of such maintenance shall be borne by the Lot Owners of this section and any existing or future sections of LIBERTY VALLEY, LIBERTY STATION or LIBERTY COVE.

SECTION 3. DEVELOPER EASEMENT. Developer hereby reserves unto itself, its successors and assigns, the following easements and rights-of-way in, on, over, under and through all Lots, and each unit or building located thereon, for so long as Developer owns any Lot, unit or building primarily for the purpose of sale:

(a) For the installation, construction and maintenance of conduits, lines and necessary or proper attachments in

connection with the transmission of electricity, gas, water, telephone, community antenna, television cables and other utilities;

- (b) For the construction of buildings and related improvements;
- (c) For the installation, construction and maintenance of storm water drains, public and private sewers and any other public or quasi-public utility facility;
- (d) For the maintenance of such other facilities and equipment as in the sole discretion of Developer may be reasonably required, convenient or incidental to the completion, improvement and sale of Lots.

ARTICLE VIII GENERAL PROVISIONS

SECTION 1. ENFORCEMENT. The Association, or any Lot Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association, or by any Lot Owner, to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

SECTION 2. VOIDABILITY. If any of the provisions of this instrument are at any time declared void or inoperative by any court of competent jurisdiction, the remaining provisions shall continue in full force and effect and shall not be otherwise affected thereby.

SECTION 3. DURATION AND AMENDMENT. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of those Owners then owning the Lots has been recorded prior to the expiration of said 30-year period or any said 10-year period, as the case may be, agreeing to terminate said covenants or to modify said covenants in whole or in part for the next 10-year period. Except as provided below, the provisions of this Declaration may be amended by Developer, without joinder of the Owner of any Lot, for a period of five (5) years from the date of recordation of this instrument. Thereafter, this Declaration may be amended by the affirmative vote of at least three-fourths (3/4ths) of the votes of the Owners. No such amendment shall become effective until the instrument evidencing such change has been filed of record signed by the required number of Lot Owners. In addition, notwithstanding anything to the contrary contained herein, Developer reserves the right to file any amendments that may be necessary to correct clerical or typographical errors in this Declaration with regulations of the Federal Home Loan Mortgage Corporation, Federal Housing Administration, the Veterans Administration or other applicable regulations that may be necessary to assure lender approval of the Subdivision. For so long as the Developer maintains Ownership of any Lots, any amendments which would provide the annexation of additional properties, the merger of the Subdivision with any

other similar project or the consolidation of the Subdivision with such similar project, the mortgaging of Common Areas, the dedication of Common Areas, or the dissolution or amendment of the provisions of this Declaration, shall require the prior written approval of the Veterans Administration or the Federal Housing Administration, if such approval is required by said agencies as a condition to making loans on homes constructed in the Subdivision. However, such approval shall not be required in order to subject the Property described in Section 9 below to this Declaration.

SECTION 4. APPOINTMENT OF SUCCESSOR DEVELOPER; RESIGNATION OF DEVELOPER. Developer reserves the right to assign its rights as Developer to any other person as to all or any portion of the Property by written instrument specifically setting out such assignment and any such assignee shall become the Developer hereunder upon such assignment with respect to the portion of the Property so assigned. Developer shall have the right at any time upon sixty (60) days written notice to the Association to resign as Developer of the Subdivision and shall thereafter be freed from any and all obligations imposed upon Developer upon the effective date of such resignation. Any representatives of Developer on the Association's Board may also resign at any time upon written notice to the Association.

SECTION 5. HEADINGS AND BINDING EFFECT. Headings are inserted only for convenience and are in no way to be construed as defining, limiting, extending or otherwise modifying or adding to the particular paragraphs to which they refer. The covenants, agreements and rights set forth herein shall be binding upon and inure to the benefit of the respective heirs, executors, successors and assigns of the Developer and all person claiming by, through or under Developer.

SECTION 6. UNINTENTIONAL VIOLATION OF RESTRICTIONS. In the event of unintentional violation of any of the foregoing restrictions with respect to any Lot, the Developer or its successors reserves the right, but shall have no obligation, (by and with the mutual written consent of the Owner or Owners of such Lot) to change, amend, or release any of the foregoing restrictions as the same may apply to that particular Lot.

SECTION 7. BOOKS AND RECORDS. The books and records of the Association shall, during reasonable business hours, be subject to inspection by any member upon five (5) days written prior notice. The charter, By-Laws of the Association and this Declaration shall be available for inspection by any member at the principal office of the Association where copies may be purchased at a reasonable cost.
