c. *Association.* A blanket, perpetual, and non-exclusive easement of unobstructed ingress and egress in, over, under, across, and through the Common Areas is hereby reserved to the Association, the Board, Managing Agent or their respective agents or employees for the purpose of maintaining, repairing, and replacing the Common Areas or any equipment, facilities, or fixtures affecting or servicing same as well as to remedy any violations of the provisions of this Declaration or any Governing Documents; provided that requests for entry upon any Lot are made in advance and that any such entry is at a time reasonably convenient to the Owner. In the case of an emergency or the Owner's uncooperative or untimely response to such request, the right of entry shall be immediate, whether the Owner is present at the time or not.

d. *Construction and Sale Easement.* Notwithstanding any provision contained in this Declaration or the Governing Documents, until the termination of the Appointment Period and thereafter so long as Declarant owns any property in the Development Property for development or sale, Declarant reserves an easement across the Development Property for Declarant and any builder or developer approved by Declarant to maintain and carry on development activities, upon such portion of the Development Property as Declarant may deem desirable or necessary. This reserved easement shall include an easement for such facilities and activities which, in the sole opinion of Declarant, may be required, convenient or incidental to the development, construction and sales activities related to property within or near the Development Property. This easement shall include, without limitation: (i) the right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, or in any portion of the Development Property as well as any Lot therein; (ii) the right to tie into any portion of the Development Property with driveways, parking areas and walkways; (iii); the right to tie into or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services; (iv) the right (but not the obligation) to construct recreational facilities on Common Area; (v) the right to carry on sales and promotional activities in the Development Property; (vi) the right to place direction and marketing signs on any portion of the Development Property, including any Lot or Common Area; (vii) the right to

construct and operate business offices, signs, construction trailers, model residences, and sales offices incidental to the construction, development and sales activities; and (viii) Declarant and any such builder or developer may use residences, offices, or other building owned or leased by Declarant or such builder or developer as model residences and sales offices, and may also use recreational facilities available for use by the Development Property as a sales office or for marketing purposes without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, and reasonable steps shall be taken to protect such property from damage. Any damage shall be repaired by the Person causing the damage at its sole expense.

e. *Association Maintenance, Safety and Security.* The Association shall have the right, but not the obligation, to enter upon any Lot for emergency, security and safety reasons, to perform maintenance as further set forth herein, and to inspect for the purpose of ensuring compliance with the Governing Documents. Such right may be exercised by any member of the Board, the Association's officers, agents, employees, and managers, and all police officers, firefighters, ambulance personnel and similar emergency personnel in the performance of their duties. Except in an emergency, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Lot to cure any condition which may increase the possibility of a fire, slope erosion or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after requested by the Board.

f. *Declarant Inspect and Right to Correct.* Declarant reserves for itself and others it may designate the right to inspect, monitor, test, redesign and correct any structure, improvement, or condition which may exist on any portion of the Development Property, including Lot, and a perpetual, nonexclusive easement of access throughout the Development Property to the extent reasonably necessary to exercise such right. Except in an emergency, entry onto a Lot shall be only after reasonable notice to the Owner and no entry into a dwelling shall be permitted without the consent of the Owner. The Person exercising this easement shall promptly repair, at such Person's own expense, any damage resulting from such exercise.

g. *Federal, State and Local Entity.* An easement is hereby established for the benefit of any applicable federal, state, or local entity over all portions of the Development Property for the setting, removing, and reading of water meters; for maintaining and replacing water, sewage, and drainage facilities; for police protection, fire-fighting, and garbage collection; and rendering of such other services as are appropriate and necessary for the use and enjoyment of the Development Property.

h. *Fence Easement.* Declarant during the Appoint Period and thereafter the Board reserves an easement across any Lot which borders upon or contains a portion of any pond, lake, dam, water facility, detention pond or retention pond for the purpose of access to such facility or pond, and for the purpose of erecting any fence which is either required by the subdivision development and construction plans or governmental regulation, rule, ordinance or plan approval requirement.

i. **Sidewalk Easement.** A perpetual, non-exclusive easement for the construction, maintenance, repair, and replacement of pedestrian sidewalk within the Development Property, as further shown on the construction plans and specifications for the Development Property, as well as for pedestrian ingress, egress, use and enjoyment said sidewalk areas is hereby reserved to the Declarant, the Association, the Board, Managing Agent, each of their respective agents or employees and the Owners, their guests, tenants and other invitees.

15. **Condemnation.** If any Common Areas or interests therein are taken under exercise of the power of eminent domain or by purchase under threat thereof, the award in condemnation or the price payable shall be paid to the Association, except to the extent payable to any other Person with an interest in such property. The Association, by and through the Board, shall have the exclusive right to participate in such condemnation proceedings as they pertain to the Common Areas and to represent the interests of all Owners in such proceedings. Each Owner hereby irrevocably appoints the Association and any such duly appointed trustee as such Owner's attorney-in-fact for such purposes. All condemnation compensation, damages, or other proceeds received by the Association shall be held by the Association as determined by the Board, as a reserve for future maintenance, repair, reconstruction, or replacement of Development Property, or may be used for improvements or additions to, or operation of, Development Property; provided, however, if an allocation of such condemnation compensation damages or other proceeds is already established in negotiation, judicial decree, or otherwise, then in allocating such condemnation compensation, damages, or other proceeds the Association shall employ such allocation.

16. **Rules and Regulations.** The Association, acting through the Board, or other appointed committee, may from time to time adopt, amend, repeal, and enforce Rules and Regulations as may be deemed necessary or desirable with respect to the interpretation and implementation of this Declaration or any Supplemental Declaration, the operation of the Association and the use and enjoyment of Development Property. Any such Rules and Regulations shall be uniformly applied, but the applicability of a particular rule to a particular situation shall be in the sole discretion of the Board. Each Owner shall comply with such Rules and Regulations. In the event of any conflict between the Rules and Regulations and the provisions of this Declaration, the provisions of this Declaration shall prevail.

17. **Enforcement.** The Association, acting through the Board, shall have the power to enforce the provisions of this Declaration, any Supplemental Declaration, and the Governing Documents and shall take such action as the Board deems necessary or desirable to cause such compliance by each Owner by any one or more of the following means: (a) by commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration, any Supplemental Declaration or the Governing Documents, by mandatory injunction or otherwise; (b) by commencing and maintaining actions and suits to recover damages for breach of any of the provisions of this Declaration, any Supplemental Declaration, or the Governing Documents and for all expenses incurred in connection therewith, including reasonable attorney's fees; (c) by levying and collecting reasonable and uniformly applied fines and penalties established for breach of this Declaration, any Supplemental Declaration, or the Governing Documents; (d) by taking such action as reasonably necessary to bring a Lot and any Improvements thereon into compliance with this Declaration, any Supplemental Declaration, or the Governing Documents, the costs of which

shall be at the Owner's sole expense; (e) by suspending the right to vote and/or the right to use and enjoy the recreational facilities; and (f) by exercising any remedy for nonpayment of Assessments as provided herein. The Association shall have a lien on any Lot and any Improvement thereon to secure payment of the amounts described in this Paragraph, and such lien may be enforced in the same manner and with the same priority as that of a lien for Assessments as provided herein. The Association, by contract or other agreement may enforce county and city ordinances, if applicable, and local governments may enforce their ordinances within the Development Property.

18. **No Waiver.** The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the position is not strong enough to justify taking enforcement action. Any such determination shall not be construed as a waiver of the right to enforce such provision under other circumstances or estop the Association from enforcing any other covenant, restriction or rule. The failure by the Declarant or the Board to enforce any covenant, restriction or Rule and Regulation provided in or by this Declaration, Supplemental Declaration or Governing Documents shall in no event be deemed a waiver of the right to do so thereafter.

19. **Safety and Security.** Each Owner and occupant of a Lot and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property within the Development Property. The Association may, but shall not be obligated to, maintain or support certain activities within the Development Property designed to enhance the level of safety or security which each Person provides for himself or herself and his or her property. Neither the Association, the Declarant nor their officers, agents, members or employees shall in any way be considered insurers or guarantors of safety or security within the Development Property, nor shall any of the foregoing be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. The obligation to provide security lies with each Owner individually. **No representation or warranty is made that any security system or measures, including any mechanism or system for limiting access to the Development Property, cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended.** Each Owner acknowledges, understands, and shall be responsible for informing its guests, invitees, tenants and all occupants of a Lot that the Association, their Board of Directors and committees, and the Declarant are not insurers or guarantors of safety or security and that each Person within the Development Property assumes all risks of personal injury and loss or damage to property, including Lots and Improvements thereon and the contents upon Lots, resulting from acts of third parties.

20. **General Corporate Powers.** The Association shall have all of the ordinary powers and rights of a Tennessee nonprofit corporation, including without limitation, the power and right to enter into partnerships and other agreements, subject only to such limitations upon such powers as may be set forth in this Declaration or in the Articles of Incorporation for the Association or the By-Laws. The Association shall also have the power to do any and all lawful things which may be authorized, required, or permitted to be done under this Declaration, under any Supplemental Declaration, or under the Governing Documents, and to do and perform any

and all acts which may be necessary or desirable for or incidental to, the exercise of any of the express powers or rights of the Association under this Declaration, under any Supplemental Declaration, or under the Governing Documents.

Article V
DEVELOPMENT PROPERTY MAINTENANCE

1. **General Owner Use and Enjoyment Rights.** Except as may be provided in this Declaration, Supplemental Declaration or the Governing Documents, every Owner shall have a right and easement of enjoyment in and to the Development Property, which shall be appurtenant to and shall pass with the title to each Lot, subject to applicable law, the provisions contained in this Declaration, any Supplemental Declaration, and the Governing Documents.

2. **No Partition.** No Owner shall have the right to partition or seek partition of the Development Property or any part thereof.

3. **Owner Liability for Damage.** Each Owner and any tenant, occupant, family member, guest, agent, servant, or invitee thereof shall be liable to the Association for any damage to the Development Property or for any expense or liability incurred by either Association, to the extent not covered by insurance, which may be sustained by reason of the negligence or willful misconduct of such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of such Owner and for any violation by such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of this Declaration, any Supplemental Declaration, or the Governing Documents. The Board shall have the power, as elsewhere provided in this Declaration to levy and collect Reimbursement Assessments against an Owner to cover the costs and expenses incurred by the Association on account of any such damage or any such violation of this Declaration or Governing Documents, or for any increased insurance premiums directly attributable to any such damage or any such violation.

4. **Damage, Destruction, or Required Improvements.** In the event of damage to Common Areas by fire or other casualty or in the event any governmental authority shall require any repair, reconstruction, or replacement of any Development Property, the Association shall have the duty to repair, reconstruct, or replace the same. Any insurance proceeds payable by reason of damage or destruction of Development Property by fire or other casualty shall be paid to the Association and shall be used and disbursed as provided herein. If funds from insurance proceeds or available reserves are insufficient to pay all costs of repair, reconstruction, or replacement of Improvements damaged or destroyed, or if the Association is required to make repairs, replacements, or Improvements by governmental authorities, the Association may, in order to make up any deficiency in the insurance proceeds or to pay for the required repair, replacement, or Improvement, levy a Special Assessment as provided herein, or if an Owner or group of Owners is liable or responsible for such damage, levy a Reimbursement Assessment against the Owner or group of Owners responsible therefor, to provide the additional funds necessary as elsewhere provided in this Declaration. Repair, reconstruction, or replacement of Development Property shall be done under such contracting and bidding procedures as the Board shall reasonably determine are appropriate. Owners will accept existing curb damage up the purchase of his or her Lot.

5. **Lot Damage, Destruction, or Maintenance.** In the event of damage or destruction to any Improvement located on a Lot, the respective Owner thereof agrees as follows:

a. In the event of total destruction, the Owner shall promptly clear the Lot of debris and leave same in a neat and orderly condition. To the extent, the Owner desires to reconstruct the Improvement, any such reconstruction shall be accomplished in conformity with the Plans and specifications of the original structure so destroyed, subject to any changes or modifications as approved by the Board or the IRC (defined below).

b. In the case of partial damage or destruction, the Owner shall promptly clear the Lot of debris and cause the damage or destruction to be repaired and restored in a first-class condition in accordance with the Plans and specifications of the original structure. Any change or alteration must be approved by the IRC. In no event, shall any damaged structure be left unrepaired and unrestored in excess of ninety (90) days.

c. If the correction of a maintenance or repair problem incurred on one Lot necessitates construction work or access on another Lot, the Owner shall have an easement on the property of the other Owner for the purpose of this construction. The Lot Owner performing said construction or repairs shall be responsible for the cost of restoration on any such Lot necessitated by the use of the easement thereon.

6. **Title to Association Properties upon Dissolution.** In the event of the dissolution of the Association, the Development Property shall, to the extent reasonably possible, be conveyed or transferred to an appropriate public or governmental agency or agencies, or to a non-profit corporation, association, trust, or other organization, to be used, in any such event, for the common benefit of Owners for purposes similar to those for which the Development Property was held by the Association. To the extent, the foregoing is not possible, the Development Property and the proceeds from the sale or disposition shall be distributed equally to the Owners.

Article VI

DECLARANT'S RIGHTS AND RESERVATIONS

1. **Applicability and Term.** Declarant shall have and hereby retains and reserves certain rights set forth in this Declaration with respect to the Association and the Development Property. Declarant's rights and reservations set forth herein shall be deemed excepted and reserved in each recorded Supplemental Declaration, in each conveyance of property by Declarant to the Association, and in each deed or other instrument by which any property within the Development Property is conveyed, whether or not specifically stated therein. The rights, reservations, and easements of Declarant set forth in this Declaration during the Appointment Period may not, without Declarant's prior written consent, be modified, amended, rescinded, or affected by any amendment hereto, including any amendment of this Article. Declarant's consent to any such amendment shall not be construed as consent to any other or subsequent amendment. In the event of any conflict between the rights reserved to Declarant hereunder and any other provisions of this Declaration, then Declarant's rights shall control. In the event of

Declarant default of its development loan or other financing related to the development of the Development Property that results in the transfer of ownership of the Development Property to the lender, then all of Declarant's rights, duties, obligations, liabilities and any other responsibility set forth in this Declaration shall automatically be transferred and assigned to such lender.

2. **Additional Improvements.** Declarant shall have and hereby reserves the right, at any time and from time to time, but shall not have the obligation, to construct, at its expense, additional Improvements on Development Property which are for the betterment and enhancement thereof and for the benefit of the Association and the Owners. Declarant will convey or transfer such Improvements to the Association, which shall be obligated to accept title to, care for, and maintain the same as elsewhere provided herein.

3. **Promotion and Marketing.** Declarant shall have and hereby reserves the right to use the Development Property in connection with development, construction, promotion, marketing, sale and leasing of properties within the Development Property, by erecting and maintaining on any part of the Development Property such signs as Declarant, in its sole discretion, may deem desirable, necessary or proper in connection with the development, construction, promotion, marketing, sale and leasing of parcels of real property within the Development Property, and by permitting prospective purchasers of any of such parcels who are not Owners to enter upon Development Property; provided, however, that Declarant shall pay all costs occasioned by such use, including without limitation maintenance and repair expenses.

4. **Development Completion.** No provision of this Declaration shall be construed to limit the right of Declarant to or require Declarant to obtain approval: (a) to complete Improvements indicated on Plats and/or Plans filed with this Declaration, as may be amended from time to time; (b) to create, add, withdraw, modify, alter, or redefine Lots or Common Areas comprising the Development Property; (c) to subdivide Lots; (d) to make the Development Property part of a larger planned community or to subject same to a master association; (e) to excavate, cut, fill, or grade any property owned by Declarant or to construct, alter, remodel, demolish, or replace any improvements on any Development Property; or (f) to require Declarant to seek or obtain the approval of the Association for any such activity or Improvement to property by Declarant on any Development Property. Nothing in this Paragraph shall limit or impair the reserved rights of Declarant as elsewhere provided in this Declaration.

5. **Easements.** Declarant shall have and hereby reserves the right to grant or create temporary or permanent easements and rights-of-way for access, utilities, water, drainage, and other purposes incident to development, construction, or sale within the Development Property, located in, on, under, over, and across Development Property, property owned by Declarant, provided that such easements and rights-of-way that are located within the Development Property do not unreasonably interfere with the rights of Owners.

6. **Conveyance of Additional Property.** Declarant shall have and hereby reserves the right, but shall not be obligated to, convey additional real property and improvements thereon to the Association at any time and from time to time in accordance with this Declaration.

Article VII

ASSESSMENTS

1. **Covenant to Pay and Commencement.** Each Owner, by acceptance of a deed to his Lot, whether or not it shall be so expressed in such deed, is thereby deemed to covenant and agree to pay to the Association: (a) Common Assessments, (b) Working Capital Fund Assessments; (c) Special Assessments, (d) Reimbursement Assessments, and (e) fines or charges which may be imposed against such Lot in accordance with the provisions of this Declaration. An Owner's obligation to pay Assessments and any other duly levied charge shall commence on the first day of the first month following the transfer or conveyance of a Lot to a Person other than the Declarant or its affiliates. The Assessments for the then current Assessment Year shall be prorated on the basis of the number of months remaining in such Assessment Year.

2. **Common Assessment.** The Board shall have the power and authority to levy a "Common Assessment" to fund the annual or other periodic costs of operating the Association, including expenses incurred in connection with any Administrative Function and other expenses duly incurred by or on behalf of the Association which are to be paid by each Owner to the Association. Expenses which may be duly incurred on behalf of the Association in connection with the performance of Administrative Functions include, without limitation, the following:

a. Expenses of maintenance, operation, repair, replacement, and security of the Common Area, including, without limitation, costs of labor, equipment, and materials incurred in connection therewith.

b. Utility charges for utilities serving the Common Areas and for the lighting of streets throughout the Common Areas, as well as charges for other common services for the Development Property.

c. Expenses related to sprinkler systems, supplemental trash disposal, recycling collection, seasonal decorative lighting, and other seasonal landscaping.

d. Principal, interest, and other charges payable with respect to: (i) loans to the Association to provide funds to perform any Administrative Function or to pay any other obligation of the Association, including, without limitation, loans financing the construction of Improvements for the Development Property and (ii) loans from Declarant made to the Association to fund Association expenses prior to the time when Common Assessments payable by Owners other than Declarant are sufficient to fund the normal operating expenses of the Association.

e. Other expenses as may be determined from time to time by the Board to be incurred necessarily or appropriately for the performance of Administrative Functions, including, without limitation, taxes, insurance premiums, utility charges, and government charges not separately assessed against Lots.

f. The establishment and maintenance of a reasonable reserve fund or funds for: (i) maintenance, repair, and replacement of those portions of the Development Property and Improvements thereon that are the responsibility of the Association and that must be maintained, repaired, or replaced on a periodic basis; and

(ii) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments or liens, as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board.

3. **Common Assessment Calculation.** Prior to commencement of each Assessment Year, the Board shall fix the amount of the Common Assessment by preparing a Budget for the Administrative Functions to be provided by the Association in the coming Assessment Year. The proposed Budget is to show the categories of expenses and the anticipated amounts of expenses for which Common Assessments are determined by the Board to be necessary or desirable, and shall reflect any expected income and estimated sources and amounts thereof of the Association for such Assessment Year, as well as any expected surplus from the prior Assessment Year. At the office of the Association or its agent, copies of the proposed Budget and the Budget for the current Assessment Year will be made available by the Association to any Person requesting a copy thereof upon payment of the reasonable expense of copying same. The Board shall allocate the Common Assessment equally among the Lots.

4. **Assessment Notice.** Notice of any Assessment set forth herein shall be sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, facsimile transmission, or electronic transmission at the address or other contact information provided to the Board by the Owner for notices provided herein or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Lot. Such notice shall state the type of Assessment being levied, the amount to be paid, payment frequency (annual, quarterly, monthly, or as otherwise set by the Board), and the payment due date(s), as well as any other required information. Notices will be given to Owners in a reasonable period of time prior to the payment or first installment due date.

5. **Delinquent Payment.** All Assessments or other duly levied charge or fine under this Declaration shall be due and payable on date set forth in the notice related thereto. Any Assessment or any portion thereof not paid when due shall be deemed delinquent. Any Assessment delinquent for a period of more than ten (10) days shall incur a late charge in an amount as may be determined by the Board from time to time and shall bear interest from the date due at 10% per annum until paid, but in no event, shall the interest charged be in excess of the Delinquency Interest Rate.

6. **Failure to Establish Common Assessments.** The failure by the Board to levy Common Assessments for any Assessment Year shall not be deemed a waiver or modification of any of the provisions of this Declaration or a release of liability of any Owner to pay Common Assessments, or any installment thereof, for that or any subsequent Assessment Year. In the event of such failure, the amount of the Common Assessment for that Assessment Year shall be, until subsequently modified by the Board, the same as for the most recent year for which Common Assessments shall have been levied.

7. **Exempt Property.** Development Property or any portion thereof that is dedicated to and accepted by a local public authority, that is granted to or used by a utility company, or is designated as part of the Common Areas shall be exempt from Assessments.

8. **Working Capital Fund Assessment.** Each Owner of a Lot shall pay a "Working Capital Fund Assessment" in the amount of amount of one half ($\frac{1}{2}$) of the annual Common

Assessment to the Association at the closing of the sale of the completed dwelling. The Working Capital Fund Assessment will apply to the first sale of a completed dwelling upon a Lot and to every subsequent sale of such Lot. The Working Capital Fund Assessment shall not be considered as advance payment of any Assessment or other duly levied charge. The amount of the Working Capital Fund Assessment may be increased in the discretion of the Board; provided, however, the Working Capital Fund Assessment shall not exceed an amount equal to one-half (½) of that year's Common Assessment. The Working Capital Fund Assessment shall be held and disbursed for the following purposes in the order of priority:

- a. To fund costs of maintenance of the Common Areas and the Administrative Functions of the Association that cannot be funded by Assessments.
- b. To reimburse the Declarant for all amounts loaned or otherwise expended by Declarant to the Association to fund any operating deficits.
- c. To assure that the Association will have cash available to meet unforeseen expenditures or to acquire additional equipment or services deemed necessary or desirable by the Board.

9. **Special Assessments.** The Board may levy one or more Assessments to be known as "Special Assessments" for the purpose of raising funds, not provided by Common Assessments to: (a) construct or reconstruct, repair, remodel, replace, or maintain Improvements upon Development Property, including necessary personal property related thereto, and to pay ad valorem taxes and insurance on Development Property; (b) add to the Development Property; (c) provide for necessary facilities and equipment to offer the services authorized in this Declaration; (d) repay any loan made to the Association to enable it to perform any duty or function authorized in this Declaration; or (e) pay for any other cost or expense as determined by the Board. The amount of Special Assessment to be paid by each Owner shall be calculated in the same manner as Common Assessments and may be made payable in installments over a period that may extend beyond the Assessment Year in which the resolution was adopted. In addition to the other information required to be set forth in Assessment notices, a Special Assessment notice shall state the purpose of the Special Assessment.

10. **Reimbursement Assessment.** Subject to the provisions hereof, the Board may levy an Assessment, known as a "Reimbursement Assessment" against any Owner(s) to reimburse the Association for any loss sustained by reason of the willful or negligent failure of such Owner(s) to comply with this Declaration, any Supplemental Declaration the Governing Documents, which resulted in the expenditure of funds by the Association to remedy a problem or to cause such compliance. In addition to the other information required to be set forth in Assessment notices, a Reimbursement Assessment notice shall state the reason(s) therefor.

11. **Developer Responsibility.** Until the termination of the Appointment Period, the Declarant shall not be liable for payment of assessments on its unsold Lots. However, Declarant may, but shall not be obligated to, elect to contribute to the Association the difference between the amount of Assessments levied on all other Lots subject to assessment and the amount of the Association's actual expenditures during the fiscal year (a "Subsidy"). Any Subsidy may be treated, in Declarant's discretion, as either: (a) voluntary contribution; (b) an advance against future Assessments (if any); or (c) a loan by Declarant to the Association. A

Subsidy may be evidenced by one or more promissory notes from the Association in favor of Declarant or Declarant may cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for such a loan in the local area of the Development Property. Any Subsidy shall be disclosed as a line item in the Budget. The payment of a Subsidy in any year shall under no circumstances obligate Declarant to continue payment of such Subsidy in future years. In the event Declarant expends any of its own funds for Administrative Functions, Declarant shall be entitled to reimbursement from the Association or a credit for such sums against any Assessment that Declarant might be required to pay by virtue of being an Owner. Declarant will not be obligated to pay any operating fund deficiencies that are due to non-payment of Assessments by Owners other than Declarant, and nothing contained in this Paragraph shall be deemed to relieve or release any Owner from the obligation of that Owner to pay Assessments. The decision of Declarant to fund any deficit provided for herein may be satisfied in the form of a cash substitute or by "in kind" contribution of materials and substances or a combination thereof. All "in kind" contributions of services and materials shall be valued at the reasonable market value of such service or materials.

12. Enforcement: Liens and Personal Obligation. In order to secure payment of Assessments, fines, or other duly levied charges assessed against any Lot within the Development Property pursuant to this Declaration as same become due, there shall arise a continuing lien and equitable charge ("Assessment Lien") in favor of the Association for all such sums, together with court costs, reasonable attorney's fees, late charges, any other collection costs, and interest thereon as provided herein (collectively, "Non-compliance Damages"). If any Assessment, fine, or other duly levied charge remains unpaid for sixty (60) days from the original due date, the Association may, as the Board shall determine, institute suit to collect Noncompliance Damages, foreclose its Assessment Lien, or both. The Assessment Lien shall be in favor of the Association and each Owner, by acceptance of a deed to a Lot vests in the Association, or its agents, the right and power to sue or otherwise proceed against such Owner for the collection of Noncompliance Damages and/or to foreclose the Association's Assessment Lien. The Association shall have the power to bid on the Lot at any such foreclosure sale and to acquire, hold, lease, mortgage, and convey same except that the amount the Association may bid at any such sale may not exceed the total amount owed to the Association by the delinquent Owner. The Noncompliance Damages shall also be the personal obligation of the Person who was the Owner at the time the Assessment, fine, or other duly levied charge became due. Such personal obligation shall not pass to successors in title unless expressly assumed by them. Any sale or transfer described herein shall not relieve such Lot from liability for any Assessments accruing after such sale or transfer.

13. Priority of Assessment Lien. The Assessment Lien described in the preceding Paragraph shall be superior to all other liens and encumbrances on such Lot except for: (a) liens of ad valorem taxes; and (b) a lien for all sums unpaid on a first Mortgage, on any secondary purchase money Mortgage, or on any Mortgage to Declarant, and all amounts advanced pursuant to any such Mortgage and secured thereby in accordance with the terms of such instrument; provided, however, that the subordination of the Assessment Lien to the foregoing Mortgages shall apply only to Assessments that shall have become due and payable prior to a sale or transfer of such Lot pursuant to a foreclosure. Further, notwithstanding the foregoing, any Mortgage held by a party related to, affiliated with, or controlled by the Owner of the Lot on which such Mortgage exists shall not be entitled to such priority unless such Mortgagee obtains the written agreement of the Association that it will be entitled to such priority

before making such Mortgage. All Persons acquiring other liens or encumbrances on any Lot after the recording of this Declaration shall be deemed to consent that such liens or encumbrances shall be inferior to such future equitable charges and liens for Assessments as provided herein, whether or not such prior consent shall be specifically set forth in the instruments creating such liens or encumbrances.

14. **No Offsets.** All Assessments shall be payable in the amounts specified in the notice related thereto, and no offsets or reductions thereof shall be permitted for any reason, including, without limitation, any claim of non-use of Development Property or Improvements thereon or any claim that the Association, the Board, or any committee of the Board is not properly exercising its duties and powers under this Declaration.

15. **Estoppel Certificate.** Upon payment of a reasonable fee as may be determined from time to time by the Board and upon the written request of any Owner or Mortgagee or Person intending to acquire any right, title, or interest in the Lot of such Owner, the Association shall furnish a written statement setting forth the amount of any Assessments or other amounts, if any, due and owing to the Association and then unpaid with respect to such Lot and/or the Owner thereof, as well as the amount of any Assessment levied against such Lot, which is not yet due and payable. Such statement shall, with respect to the Person to whom it is issued, be conclusive against the Association to establish that no greater or other amounts were then due or accrued and unpaid and that no other Assessments were then levied and unpaid against such Lot.

16. **Records of Assessments.** The Association shall cause to be maintained in the office of the Association or their Managing Agent a record of all Owners, their Lot(s), and the Assessments, fines, and/or other duly levied charges applicable thereto that shall be open to inspection by any Owner.

Article VIII **ANNEXATION AND WITHDRAWAL OF PROPERTY**

1. **Annexation by Declarant.** From time to time during the Appointment Period, Declarant may unilaterally add to the Development Property additional real property adjacent to the Development Property and subject same to the Development Property as Future Phase Property. Declarant may transfer or assign this right to annex property, provided that such transfer is memorialized in a written, recorded instrument executed by Declarant. Nothing in this Declaration shall be construed to require Declarant to annex or develop any additional property in any manner whatsoever.

2. **Annexation by Members – Post Appointment Period.** Following the termination of the Appointment Period, the Members may annex additional real property adjacent to the Development Property and subject same to the Development Property as Future Phase Property, upon the affirmative Vote of Members representing at least two-thirds (2/3) of the total collective Votes in the Association present in person or by proxy at a meeting duly called for such purpose.

3. **Manner of Annexation.** Any parcel of real property to become part of the Development Property and to be made subject to this Declaration ("Future Phase Property")

4. **Withdrawal Annexed Property by Declarant.** Annexed Property or any portion thereof for which a Supplemental Declaration has been recorded may be withdrawn by the Declarant from the Development Property, from this Declaration, and/or from such Supplemental Declaration related thereto. The withdrawal of such Annexed Property or portion thereof may be accomplished by Declarant's execution and Recording of a written notice of such withdrawal ("Notice of Withdrawal").

Article IX

IMPROVEMENTS AND ARCHITECTURAL STANDARDS

1. **General.** No structure shall be placed, erected or installed upon any Lot and no Improvements (including staking, clearing, other site work, exterior alteration of existing improvements, painting or modifying fences, and planting or removal of landscaping materials) shall take place except in compliance with this Article and approval by the appropriate entity. Notwithstanding this, the Board may, by resolution, exempt certain activities from the application and approval requirements of this Article provided such activities are undertaken in strict compliance with the requirements of such resolution. Any Owner may remodel, paint, or redecorate the interior of structures on his Lot without approval. However, modifications to the interior of screened porches, patios, and similar portions of a Lot visible from outside the structures on the Lot shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. This Article shall not apply to the activities of Declarant, the Association, or any Builder building homes in this Development on the Development Property.

2. **Designation of Committee.** The Association may have an Improvement Review Committee ("IRC"), which shall consist of no more than five (5) members. During the Appointment Period, the Declarant shall appoint the members of the IRC, who shall be subject to removal at any time by Declarant. Declarant in its sole discretion, may alone constitute the IRC and until the IRC is so appointed, all references herein to the IRC shall mean the Declarant. After the termination of the Appointment Period, the members of the IRC shall be appointed and shall be subject to removal at any time by the Board. After the termination of the Appointment Period, the Board alone may constitute the IRC and until the IRC is so appointed, all references herein to the IRC following the termination of the Appointment Period shall mean the Board. The IRC shall designate an individual as its secretary, and all communications with the IRC shall be conducted through the secretary.

3. **Function of IRC.** No Improvement shall be erected, constructed, placed, maintained, or permitted to remain on any portion of the Development Property until the Plans and specifications therefor showing the nature, kind, shape, height, materials, color, location,

and any other information required by the IRC have been submitted to and approved in writing by the IRC. The IRC shall determine in its sole discretion whether or not the proposed Improvement, and all features thereof, is consistent with the overall development scheme for Hermitage Creek and otherwise compatible with other Improvements constructed within the Development Property. The IRC shall be the sole judge and arbiter of such consistency and compatibility. As a prerequisite to consideration for such approval, and prior to commencement of proposed work, the Owner, Builder, or any agent thereof shall make the necessary submissions as required by the IRC, together with the applicable fee(s), if any, to be charged by the IRC to defray its costs incurred in considering and acting upon any proposed Plans that may require changes for approval, including costs incurred in relation to an architect's review of the proposed Plans, if necessary. The IRC may refuse approval of any Plans that in its sole judgment are inconsistent with the overall purpose and aesthetic values of the Development Property or the architectural standards described herein and in the Design Guidelines, if any. The IRC shall be the sole arbiter of submitted Plans and may withhold its approval for any reason, including purely aesthetic reasons. The IRC has the authority to waive the requirements set forth in this Article or any portion thereof, as well as to pre-approve Plans and specifications for Builders constructing Improvements upon multiple Lots.

4. **Design Guidelines.** The IRC may, in its discretion, promulgate Design Guidelines specifying acceptable architectural styles, permissible materials, and acceptable locations for the construction of all Improvements within the Development Property. All Plans for Improvements must be consistent with such Design Guidelines, which may be amended from time to time by the Declarant during the Appointment Period and thereafter the Board. Copies of the current Design Guidelines, if any, may be purchased at a reasonable cost.

5. **Submission of Plans.** Any Owner, Builder, or any agent thereof desiring to construct an Improvement upon any Lot shall first have detailed Plans prepared for such Improvement, acceptable to the IRC. The scaled Plans to be submitted for IRC review shall include at a minimum the following: (a) plot plan, survey or copy of the recorded plat showing the dimensions of the Lot, the proposed location of all Improvements to be placed upon the Lot, including but not limited to any detached structures such as sheds, garages, swimming pools, pool houses, guest houses, walls and/or fences; and the relationship of all such Improvements to the front, rear, and side property lines; (b) elevation drawings of the front, sides, and rear of any new structure included within the Improvements, together with all exterior color selections / schemes and building materials to be used; (c) a landscaping plan, including all driveways, sidewalks, and terraces; and (d) such other information as may be necessary or otherwise requested by the IRC.

6. **Approval of Plans.** The IRC will certify its approval or disapproval of the Plans within thirty (30) days of the IRC's acknowledged receipt of the Plans, specifications, review fee, and/or other requested information and/or materials. In its sole and uncontrolled discretion, the IRC may grant or withhold its approval of the Plans. By the purchase of property within the Development Property, every Owner shall be conclusively presumed to have consented to the exercise of discretion by the IRC. The IRC's approval of Plans for any Improvement shall be effective for a period of six (6) months only; and if construction of the proposed Improvements shall not have commenced within that time period, the approval shall no longer be valid. In the event written approval is not received within thirty (30) days after the Plans, specifications,

review fee, and all requested additional information have been submitted and acknowledged as received by the IRC, then the request for approval shall be deemed DENIED.

7. Construction Compliance. If the IRC approves Improvement Plans, the Owner shall make a construction compliance security deposit or post a bond, letter of credit, or other acceptable collateral in such amount in the sole discretion of the IRC ("Construction Deposit") in order to insure compliance with the Plans by the Owner, his representatives and/or agents. Upon Owner's completion of construction, including the removal of all trash and debris, Owner shall notify the Board of same so that the completed construction and clean-up may be inspected, confirmed, and approved. Once the completed construction and clean-up have been inspected and approved, the Construction Deposit shall be refunded or released to the Owner; provided, however, the Board shall be entitled to deduct from the Construction Deposit any costs incurred by Declarant the Association to repair any damage to Common Areas or other Improvements within the Development Property and otherwise to maintain same in a clean and orderly fashion free of mud, dirt, or other debris. Further, the Board shall be entitled to deduct from the Construction Deposit the full amount of any fine assessed against the Owner by the Board for non-compliance with the approved Plans and/or covenants set forth herein.

8. Construction of Improvements. Once the IRC approves the Plans and the Owner has made the Construction Deposit, the Owner, Builder, or any agent thereof shall construct the Improvements in substantial conformity with the approved Plans. Actual construction shall be the responsibility of the Owner and shall commence before the expiration of the IRC's approval as provided herein above. At all times during the construction of any Improvement, the Declarant during the Appointment Period and thereafter the Board or an authorized agent thereof shall have access to same for the purpose of inspection and confirmation that the construction is in substantial accordance with the Plans as approved by the IRC and in compliance with this Declaration, any Supplemental Declaration or other Governing Documents. If the construction is found not to be in substantial accordance with the Plans as approved by the IRC and/or in compliance with this Declaration, then the Declarant during the Appointment Period and thereafter the Board or an authorized agent thereof shall give written notice to the Owner of such non-compliance and the basis therefor. If the violation is not brought into compliance or a satisfactory resolution is presented in writing by the Owner and accepted by the Declarant during the Appointment Period and thereafter the Board within five (5) business days of the delivery of such written notice, then the Declarant during the Appointment Period and thereafter the Board shall be authorized: (a) to stop construction and all activities related thereto concerning any Improvement until same is made compliant; (b) to assess reasonable fines related to the noncompliance; and (c) to make the necessary corrections or to take necessary action to make the Improvements compliant at the Owner's expense.

9. Limited Effect of Plan Approval. The approval by the IRC of an Owner's Plans for the construction of an Improvement is not intended to be an approval of the structural stability, integrity, or design of a completed Improvement, the safety of any component therein, or the compliance thereof with the regulatory requirements or any federal, state, or local law, regulation, or ordinance. This approval by the IRC is required solely for the purpose of insuring compliance with the covenants contained herein and further to insure the harmonious and orderly architectural and aesthetic development and improvement of the Development Property.

Notice is hereby given to any future Owner and/or occupant of any completed Improvement and all invitees and other persons who may from time to time enter or go on or about such completed Improvement that no permission or approval granted by the IRC, the Declarant, or the Association with respect to the construction of any Improvement pursuant to this Declaration shall constitute or be construed as an approval of the structural stability, integrity, or design of a completed Improvement, the safety of any component therein or the compliance thereof with the regulatory requirements or any federal, state, or local law, regulation, or ordinance. As such, no liability shall accrue to the Declarant, the IRC, or to the Association in the event that any such construction shall subsequently prove to be defective or not in compliance with such requirements.

10. **Compliance and Penalty.** Failure to comply with any provision of this Article, Declarant during the Appointment Period and thereafter the Board may take such action as necessary to achieve compliance therewith, including, without limitation, assessment of fines that may be debited against the Construction Deposit. The Owner shall, upon demand, immediately reimburse Declarant or other performing party for all expenses incurred in so doing, including attorney's fees. Declarant and thereafter the Association shall have a lien on the Lot and the Improvements thereon to secure the repayment of such amounts. Such lien may be enforced in the same manner and with the same priority that the lien for Assessments may be enforced.

In the event the Owner fails to timely install the sidewalk as provided in this Paragraph, the Association may cause the sidewalk to be installed, and the cost thereof shall be a lien against the Lot to secure the repayment of such amounts. Such lien may be enforced in the same manner and with the same priority that the lien for Assessments may be enforced.

Notwithstanding the foregoing, any easements granted pursuant hereto or in any Supplemental Declaration are and shall be perpetual, except to the extent, if any, otherwise provided in the creation of any such easement, and except that any dedication to and acceptance by an appropriate governmental authority or any conveyance or grant to any appropriate public utility of the facilities that are the subject of any such easements shall terminate those easements if such dedication, conveyance, or grant so provides. The Declarant may amend or modify these covenants as it deems until such times as all costs have been sold to third parties.

2. **Notice to Owners.** Notice to any Owner set forth herein shall be sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, facsimile transmission, or electronic transmission at the address or other contact information provided to the Board by the Owner or in the event no separate address or other contact information has been provided, then by prepaid

Notices addressed as above shall be delivered in person with written acknowledgment of the receipt thereof or sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, receipt signature required.

4. **Statute of Limitation.** No action in contract, tort, or otherwise against the Association, the Board, or the Declarant for any action or inaction by the same or to challenge the validity of this Declaration, any Supplemental Declaration or other duly adopted amendment may be brought more than one (1) year after the occurrence of such action or inaction or the date this Declaration, the Supplemental Declaration, or other instrument is recorded.

5. **Books and Records.** Except for confidential, non-public information of the Association or that affecting the privacy rights of third parties or otherwise subject to confidentiality or non-disclosure protections or objections under any basis, the books and records of the Association are subject to inspection at the principal office of the Association by any Owner during reasonable business hours and upon ten (10) days prior written notice. Copies of such records may be purchased at a reasonable cost.

6. **Right to Mortgage Information.** Each Owner hereby authorizes any Mortgagee holding a Mortgage on such Owner's Lot to furnish information to the Board concerning the status of such Mortgage and the loan which it secures, to the extent such information is appropriate to assist the Board in determining if such loan is a valid first Mortgage or secondary purchase money Mortgage.

7. **Limitation on Liability.** The Association, the Board, the IRC, any other committee established by the Board, the Declarant, and any member of the Board or any committee, officer, agent, or employee of any of them (collectively the "Indemnitees") shall not be liable to any Person for any mistake of judgment, whether negligent or otherwise, or for any action or any failure to act under this Declaration or any Supplemental Declaration. In addition, the Board and the officers of the Association shall have no personal liability with respect to any contract or other commitment made by them, on behalf of the Association (except to the extent that such directors or officers may also be Owners). The Association, as an Administrative Function, shall indemnify, hold harmless, and defend the Board and such officers from any and all expense, loss, or liability to others on account of any such contract or commitment. In addition, the Indemnitees shall be indemnified and held harmless by the Association, as an Administrative Function, from any expense, loss, or liability to others by reason of having served in such capacity, against all expenses, losses, and liabilities, including court costs and reasonable attorney's fees incurred by or imposed upon such Person in connection with any proceeding to which he may be a party or may have become involved by reason of holding such position, whether or not he holds such position at the time such expenses are incurred, except in cases in which the expenses, losses, and liabilities arise from a proceeding in which such Person is adjudicated guilty of willful misfeasance, gross negligence, or bad faith in the performance of his duties and for which indemnification is prohibited by law under the Tennessee Not For Profit Corporation Act. In the event of a settlement of any such proceedings, the indemnification provided hereby shall apply only when the Board approves such settlement and reimbursement as being in the best interests of the Association. Any right of indemnification provided in this Paragraph shall not be exclusive of any other rights to which an Indemnitee may be entitled.

8. **Perpetuities and Restraints on Alienation.** If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the former President of the United States, George W. Bush.

9. **Land Outside Development Property.** The restrictions created by this Declaration benefit and burden only the Development Property and no other land whatsoever. Notwithstanding any possible sharing of present or future facilities by other land, whether developed by Declarant or others, the general plan created by the restrictions of this Declaration extends only to the Development Property, and such restrictions are not intended to benefit any Persons other than those having an interest in the Development Property. No Person owning land or having an interest in land outside of the Development Property shall have any right whatsoever to enforce this Declaration for the benefit of such land, and neither the Association, nor any Owner shall have the right to extend the enforcement of this Declaration to any real property not within the Development Property. Provided, however, nothing contained herein shall in any way preclude or limit the applicable governing bodies from enforcing the terms of this Declaration and the Governing Documents.

10. **General Development Information.** Any brochures, maps, models, handouts, schematics, plans, and facilities provided or available in connection with the Development Property or the development, construction, promotion, sale, marketing, or leasing of Development Property or Improvements thereon: (a) are provided for general information

purposes only; (b) are subject to change and deletion without notice by Declarant or by public or governmental authorities; and (c) shall not obligate Declarant to develop, construct, promote, market, sell, or lease any such property or Improvements whatsoever or in any particular manner, or to add to the Development Property any Future Phase Property.

11. **Governing Law.** This Declaration shall be construed, governed, and enforced under and in accordance with the laws of the State of Tennessee.

12. **Interpretation.** The Board shall have the right, power, and authority to determine all questions arising under or in connection with this Declaration and the Governing Documents and to construe and interpret its provisions, and any determination, construction, or interpretation made in good faith by the Board shall be binding on all Owners. In all cases, the provisions set forth in this Declaration shall be construed, in the opinion of the Board, to best effect the intent of the general purposes of this Declaration. The provisions hereof shall be liberally interpreted to effectuate the purposes set forth herein, and, if necessary, they shall be so extended or enlarged by implication as to make them fully effective.

13. **Remedies Cumulative.** The rights, powers and remedies provided in this Declaration shall be cumulative and not restrictive of other remedies at law or in equity, and the exercise by a Person of any particular right, power, or remedy shall not be deemed an election of remedies or to preclude such Person's resort to other rights, powers, or remedies available to it.

14. **Partial Invalidity.** Invalidity of any one or more of the provisions of this Declaration by judgment or court order shall not affect any other provision not expressly held to be void or the provisions so void in circumstances or applications other than those expressly invalidated, and all such remaining provisions shall remain in full force and effect together with the provisions ruled upon as they apply to circumstances other than those expressly invalidated.

15. **Severability.** If any provision of this Declaration, the Governing Documents or any section, sentence, clause, phrase, word or the application thereof in any circumstance is held invalid; the validity of the remainder of this Declaration and the Governing Documents and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby, and the remainder of this Declaration or the Governing Documents shall be construed as if such invalid part was never included therein.

16. **Captions and Gender.** The captions herein are inserted only as a matter of convenience, and in no way define, limit or describe the scope of these provisions or the intent of any provision hereof. The use of the masculine gender in this Declaration and in the Governing Documents shall be deemed to include the feminine and neuter references, and the use of the singular shall be deemed to include the plural whenever the context so requires.

17. **Exoneration of Declarant.** Each Owner or any other party having an interest in any portion of the Development Property expressly agree that no duty or obligation is imposed upon the Declarant to enforce or attempt to enforce any of the covenants or restrictions contained herein, nor shall the Declarant be subject to any liability of any kind or nature whatsoever in respect to any claim that the Declarant has failed to enforce same.
