ARTICLE 2

PROPERTIES SUBJECT TO THIS DECLARATION

2.1 **Initial Properties Subject to Declaration.** The property which is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in Davidson County, Tennessee, and is more particularly depicted, described and shown on Exhibits "A", "A-1" and "A-2" attached hereto and made a part hereof by this reference. Riverview at Cumberland Hills is to be built in one (1) or more Phases, each of which may comprise a number of sections for construction purposes (a "Construction Section"). All of the real property shown on Exhibit "A" shall be submitted to these Restrictions.

2.2 **Additional Phases.** Without further assent or permit, Developer and any Successor Developer hereby reserves the right, exercisable from time to time but not later than ten (10) years

from the date hereof, or the date of any Supplementary Declaration hereto, to subject to these restrictions any real property located within five (5) miles of any portion of the Properties, in one or more Additional Phases, in order to extend the scheme of this Declaration and to bring such additional contiguous Properties within the jurisdiction of the Association.

2.3 Supplementary Declarations. The additions herein authorized shall be made by filing of record one or more Supplementary Declarations in respect to the creation of Additional Phases or the addition of other Properties to be then subject to this Declaration and which shall extend the jurisdiction of the Association to such property and thereby subject such addition to assessment for its just share of the Association's expenses and shall also require the filing of such additional plats as are required for such sections in the Register's Office for Davidson County, Tennessee. Each Supplementary Declaration must subject the added property and additional Lots, Units and/or Common Elements to the conditions and restrictions contained herein.

2.4 Consent to Rezoning. Every Owner shall be deemed to have consented to any rezoning that may be necessary or desirable for the development of such property as part of Riverview at Cumberland Hills. Owners of any Lots or Units in the additional property shall succeed to all of the rights and obligations of membership in the Association.

2.5 Extension of Development Rights to Adjacent Property. The Developer and any Successor Developer shall have the rights described in this Article 2, exercisable without approval of the Association or any other Person. The Developer or such Successor Developer shall have the voting rights as specified hereinafter with respect to any added Lots or Units, subject to the original limitations as to duration of weighted voting.

2.6 Construction Sections. The Developer may submit more unimproved property than is immediately anticipated to be used or improved to the terms and conditions of these restrictions, in order to insure and demonstrate its intentions with respect to such property and to assure that such property will be developed subject to the covenants and restrictions contained in this Declaration and such land shall initially constitute one Lot. No additional "Lots" or "Units" shall be deemed to have been created on such property until such time as the final plat approving such construction section has been approved and recorded in the Register's Office for Davidson County, Tennessee. At such time as the final plat is recorded, all Lots and/or Units depicted thereon, as well as Common Areas and Common Elements shown thereon, shall be owned and used in accordance with the terms of this Declaration.

2.7 Association Rights. The Association may not assert as a reason to object to the new development plan the fact that existing Association facilities will be additionally burdened by the property to be added by the new development or that the type of home or size of Lots or Units in any future construction differs from that of the initial construction, or any subsequent Construction Section, it being acknowledged that the Developer intends to construct both single family homes and HPR Units within Riverview at Cumberland Hills. Prior to the sale of any Lot or Unit in an additional Construction Section, the Developer may modify any preliminary plan to reconfigure Lots or Units or create additional amenities areas or Common Areas without the consent of any Owner.

2.8 Continued Use of Common Elements. No addition shall revoke or diminish the rights of Owners of Lots or Units as to the utilization of the Common Elements as established hereunder, except to grant to the owners of the land being added to the Property the right to use

the Common Elements according to the terms and conditions as established hereunder, and the right to vote and be assessed as hereinafter provided.

2.9 Withdrawal of Lands by Developer. Developer may withdraw one or more portions of the Property which are owned by Developer from the terms and conditions of this Declaration by recording a document to that effect with the Register of Deeds of the County where the Property is located. Such instrument need only be executed by Developer and shall not require the joinder and consent of the Association or any Lot Owner, Unit Owner, Member or other third-party; provided, however, that nothing contained in this section or elsewhere in the Declaration shall obligate Developer to add additional property or withdraw any portion of the Property from the terms and conditions of the Declaration. Only Developer may de-annex all or any portion of the Property from the terms and conditions of this Declaration.

2.10 Merger. Upon a merger or consolidation of the Association with another non-profit corporation, its property (whether real or personal or mixed) may, by operation of law, be transferred to the surviving or consolidated corporation or, alternatively, the property of the other non-profit corporation may, by operation of law, be added to the property of the Association as the surviving corporation pursuant to a merger. The surviving or consolidated corporation shall thereafter operate as the Association under this Declaration and administer the covenants and restrictions established by this Declaration upon the Property. No such merger or consolidation, however, shall effect any revocation, change or addition to the covenants established by this Declaration.

2.11 Declaration of Horizontal Property Regime With Private Elements. Developer, being the owner of the HPR Property which is described on **Exhibit "A-1"** and depicted on **Exhibit "A-2"** hereto, or on any amendment or supplement thereto, intends to and does hereby submit the HPR Property together with all buildings, structures, improvements and other permanent fixtures of whatsoever kind thereon, and all rights and privileges belonging to, or in any way pertaining thereto, to the provisions of the Tennessee Horizontal Property Act, Tenn. Code Ann. § 66-27-101 et seq. (the "Act"), for the express purpose of creating thereon a Planned Unit Development (PUD) which shall be a horizontal property regime with private elements established under Tenn. Code Ann. § 66-27-103(b) for the mutual benefit of all future owners or occupants of the HPR Property or any part thereof. All future owners, occupants, mortgagees, and any other Persons hereinafter acquiring any interest in the HPR Property, shall hold such interest subject to certain rights, easements and privileges in, over and upon the HPR Property and certain mutually beneficial restrictions and obligations with respect to the proper use, conduct and maintenance thereof, as hereinafter set forth, all of which are declared to be in furtherance of a plan to promote and protect the cooperative aspects of residence on the HPR Property, and are established for the purpose of enhancing the value, desirability and attractiveness of the HPR Property. The Association shall serve as and is deemed to be the townhouse corporation required by Tenn. Code Ann. § 66-27-103(b).

In addition to property taxes assessed against a Unit, the Owner of a Unit shall be responsible for all property taxes assessed against Limited Common Elements appurtenant to the Owner's Unit and any other governmental assessments, charges or fees assessed against said Limited Common Elements. If necessary, the Association shall assess a Unit Owner for Limited Common Element property taxes billed to the Association by a governmental entity.

(a) Exhibit A-1 shall describe the boundaries of the HPR Property; Exhibit A-2 shall set forth the numbers, areas, locations, and other data required by the Act.

Every deed, lease, mortgage, deed of trust or other instrument shall legally describe a Unit by its identifying number as shown on Exhibit A-2, and every such description shall be deemed good and sufficient for all purposes, as provided in the Act. Except as provided by the Act, no Unit Owner shall, by deed, plat, court decree or otherwise, subdivide or in any other manner cause such Owner's Unit to be separated into any tracts or parcels different from the whole Unit as shown on Exhibit A-2.

ARTICLE 3

ARCHITECTURAL, MAINTENANCE, AND USE RESTRICTIONS

3.1 Single-Family Residential Construction. No building or other structure shall be erected, altered or permitted to remain on any Lot, Unit or Limited Common Element other than one (1) single-family residential dwelling.

(a) All siding shall be vinyl or cementitious fiber.

(b) All sidewalks and walkways within a public right-of-way, porches and stoops shall be broom finished gray concrete; all driveways and walkways located within the boundaries of a Lot, Unit or Limited Common Element shall be broom finished.

(c) A residential dwelling may have an attached private garage. Garages may not accommodate more than three (3) vehicles and shall be used for vehicle parking and not primarily storage of other items. Unless approved in writing by Developer or the Association, all garages shall be front-entry or side-entry. Garages may not exceed the main dwelling in height.

3.2 Approval of Plans.

(a) No construction, reconstruction, remodeling, alteration, or addition of or to any structure, building, outbuilding, fence, wall, drive, recreational equipment or improvement of any nature shall be constructed without obtaining prior written approval of Developer or the Architectural Control Committee, as to the location, plans, and specifications therefor. As a prerequisite to consideration for approval, and prior to the commencement of the contemplated work, two (2) complete sets of building plans and specifications shall be submitted. Developer shall be the sole arbiter of such plans and may withhold its approval for any reasons, including purely aesthetic reasons. It is expressly acknowledged that construction undertaken by Developer shall be conclusively deemed to comply with the foregoing. Upon giving approval, construction shall be started and prosecuted to completion promptly and in strict conformity with such plans.

(b) At such time as Developer divests itself of all Lots and Units within the development (or at such earlier time as Developer, in its discretion, determines), the right of approval of plans for further construction, reconstruction, remodeling, alterations, and additions shall thereafter vest exclusively in the Association and in its Board of Directors (the "Board"), or a committee of the Association as shall be appointed by the Board (the "Architectural Control Committee").

(c) Developer, the Association and the individual members thereof shall not be liable for any act or omission in performing or purporting to perform the functions delegated hereunder. In the event that Developer or the Association (as the case may be) fail to indicate approval or disapproval within thirty (30) days after the receipt of the required documents, approval will not be required, and the related covenants set out herein shall be deemed to have been fully satisfied. Approval or disapproval by Developer or the Association shall not be deemed to constitute any warranty or representation by it including, without limitation, any warranty or representation as to fitness, design or adequacy of the proposed construction or compliance with applicable statutes, codes and regulations. Anything contained in this paragraph 3.2, or elsewhere in this Declaration to the contrary notwithstanding, Developer and the Association are hereby authorized and empowered, at their sole and absolute discretion, to make and permit reasonable modifications or deviations from any of the requirements of this Declaration relating to the type, kind, quantity or quality of the building materials to be used in the construction of any building or improvement on any Lot, Unit or Limited Common Element and of the size and location of any such building or improvement when, in their sole and final judgment, such modifications and deviations in such improvements will be in harmony with existing structures and will not materially detract from the aesthetic appearance of the Properties and the improvements as a whole; provided, however, such modifications and deviations must comply with all applicable ordinances and regulations established by local governmental entities or bodies with jurisdiction over Riverview at Cumberland Hills.

Developer may require the submission to it of such documents and items, including as examples, but without limitation, written requests for and description of the variances requested, plans, specifications, plot plans and samples of material(s), as it shall deem appropriate, in connection with its consideration of a request for a variance. If Developer shall approve such request for a variance, it shall evidence such approval, and grant its permission for such variance, only by written instrument, addressed to the Owner of the Lot(s) or Unit(s) relative to which such variance has been requested, describing the applicable restrictive covenant(s) and the particular variance requested, expressing its decision to permit the variance, describing (when applicable) the conditions on which the variance has been approved (including as examples, but without limitation, the type of alternate materials to be permitted, and alternate fence height approved or specifying the location, plans and specifications applicable to an approved outbuilding), and signed by Developer. Any request for a variance shall be deemed to have been disapproved for the purposes hereof in the event of either (i) written notice of disapproval from Developer or the Association or (ii) failure by Developer to respond in writing to the request for variance. In the event Developer or any successor to the authority thereof shall not then be functioning, no variances from the covenants herein contained shall be permitted, it being the intention of Developer that no variances be available except at its discretion. Developer shall have no authority to approve any variance except as expressly provided in this Declaration.

3.3 Structural Compliance. All structures shall be built in substantial compliance with the plans and specifications therefor, approved by Developer or the Association as provided in Section 3.2 above.

3.4 Improvement and Setback Restrictions. No building or structure, or any part thereof, shall be located on any Lot, Unit or Limited Common Element nearer to the front line, the rear line, or any side line than the minimum building setback lines required by Davidson County, Tennessee (or any other governmental body with jurisdiction over Riverview at Cumberland Hills)

and as may be shown on the recorded plans. For purposes of determining compliance with this requirement, porches, wing walls, eaves, and steps extending beyond the outside wall of a structure shall be considered as a part thereof. No encroachment upon any utility easements reserved on the Plat shall be authorized or permitted.

3.5 Re-subdivision of Lots. No Lot, Unit or Limited Common Element may be re-subdivided, nor shall any building be erected or placed on any re-subdivided Lot, Unit or Limited Common Element, unless such re-subdivision is approved by the Association, as well as any governmental authority having jurisdiction. Developer, however, shall have the right, but not the obligation, to re-subdivide into Lots, Units or Limited Common Elements, by recorded plat or in any other lawful manner, all or any part of the Properties, and such re-subdivided property shall be subject to this Declaration as if such property were originally included herein. Any such re-subdivision must comply with applicable re-platting ordinances, statutes, regulations and requirements.

3.6 Walls, Fences and Hedges. Prior to the construction of any wall, fence or hedge, Developer or the Association (as the case may be) must approve in writing plans submitted by the owner in accordance with section 3.2 of this Declaration. Such plans shall include details of location, style and construction materials for the proposed wall, fence or hedge. Design Guidelines adopted by the Developer or the Association (the "Design Guidelines") shall govern the types, colors, dimensions and locations of walls, fences and hedges permitted on Lots, Units or Limited Common Elements within the Property.

3.7 Roofing Material. The roof of any building (including any garage) shall be constructed or covered with asphalt or composition type shingles. Any other type of roofing material shall be permitted only in the sole discretion of the Association upon written request in accordance with Section 3.2 hereof.

3.8 Swimming Pools. Swimming pools shall be allowed only on Lots, Units or Limited Common Elements approved by the Association and shall be located at the rear of the residence. All swimming pools shall have a perimeter enclosure, the plans for which, including landscaping plans, must be approved in writing by Developer or the Association in accordance with Section 3.2 hereof.

3.9 Storage Tanks and Refuse Disposal. No exposed above-ground tanks or receptacles shall be permitted for the storage of fuel, water, or any other substance, except for refuse produced through normal daily living and of a nature which is satisfactory for pick-up by the local Department of Public Works or its equivalent. Incinerators for garbage, trash, or other refuse shall not be used or placed on any Lot, Unit or Limited Common Element. Except for garbage cans on pick-up day, all equipment, coolers, and garbage cans shall be concealed from the view of neighboring homes, roads, streets, and open areas.

3.10 Clothes Lines. Hanging clothes, rugs, blankets, towels or other household items outside on clothes lines or otherwise is strictly prohibited.

3.11 Signs and Advertisements. No sign, advertisement, billboard or advertising structure of any kind shall be erected upon or displayed or otherwise exposed to view on any Lot, Unit or Limited Common Element (or any improvement thereon); provided that this requirement shall not preclude the installation by Developer and/or any builder approved by Developer of signs identifying the entire residential development. Except for signs utilized by Developer and its

designated assigns, the Association shall have the right to remove any unapproved sign, advertisement, billboard or structure, and in doing so shall not be subject to any liability for trespass or other tort in connection therewith or arising from such removal; provided, however, a resident may temporarily erect a political sign which complies with Tenn. Code Ann. § 2-7-143 and any rules and regulations adopted by the Association with respect to such signs.

3.12 Temporary Structures and Outbuildings. Except as provided below, no mobile home, camper, trailer, basement, tent, shack, garage, barn, utility shed, structure of a temporary character or other outbuilding shall be erected, moved onto any Lot, Unit or Limited Common Element or used at any time as a residence, nor shall any residence of a temporary character be permitted. No structure of any kind except a permanent dwelling house may be occupied as a residence, and the outside of any dwelling house (including landscaping) must be completed before occupancy. The Developer or its assigns may use temporary structures as building or sales offices and for related purposes so long as Developer owns any property within Riverview at Cumberland Hills.

3.13 Parking and Storage of Automobiles, Boats, Trailers and Other Vehicles. In order to minimize parking on the street, unless vehicles already completely occupy a garage (if any) and driveway, residents may not leave, park or store vehicles of any nature, including without limitation passenger vehicles, pickup trucks, SUVs and motorcycles in the street or public right-of-way. Trailers, boat trailers, travel trailers, inoperative automobiles, campers, recreational vehicles or equipment of any nature shall be parked or stored so that they are screened from public view, either within the garage (if any) or behind a fence that screens such vehicles from public view. No semi-tractors, tractor-trailers, buses, delivery vans, moving vans or other large commercial vehicles or equipment shall be parked, left or stored on the streets, driveways or elsewhere within the Properties except for such periods of time as are reasonably necessary for loading and unloading, providing delivery services, providing household moving service(s) or as needed for maintenance, construction or reconstruction work within the Properties. The foregoing shall not apply to construction vehicles of the Developer. The Board of Directors may adopt rules and regulations not inconsistent with this Declaration with respect to street parking and the maintenance and use of parking spaces provided on the Common Area or Common Elements and the uses, operating and control of motor vehicles thereon.

3.14 Outside Lighting. Outside lights at eaves and door entrances shall be permitted, but no exterior flashing or high-intensity lights, floodlights, or spotlights on the exterior of any building or elsewhere on a Lot, Unit or Limited Common Element shall be permitted, except with the prior written approval of the Association. Outside lighting may only be directed downward, toward the dwelling on which said exterior lighting is located. Exterior lighting may not be directed toward another Lot, Unit or Limited Common Element or the improvements thereon.

3.15 Antennae and Satellite Dishes. All television antennae, satellite dishes, dishes which receive video programming services via multipoint distribution services and any other device used for the reception of television broadcast signals, direct broadcast satellite services or multichannel multipoint distribution (wireless cable) services must be one (1) meter or less in diameter, must be located to the rear of a dwelling and not visible from the street (unless such location would preclude reception of an acceptable quality signal) and may not be affixed to any portion of the Common Area or Common Elements without the prior express written approval of the Association.

3.16 Window Units. Window air conditioning units are strictly prohibited.

3.17 Recreational Equipment. All playground and recreational equipment must be used, erected, placed and maintained to the rear of any dwelling with the approval of the Architectural Control Committee in accordance with Section 3.2 above.

3.18 Oil and Mining Operations. No oil drilling, oil development operations, oil refining, quarrying or mining operations shall be permitted on any Lot, Unit or Limited Common Element, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Lot, Unit or Limited Common Element. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot, Unit or Limited Common Element.

3.19 Maintenance. All Lots and Units, together with the all improvements located thereon, shall be maintained in a neat and attractive condition by their respective Owners or Occupants. Each Unit Owner shall also maintain all aspects of any appurtenant Limited Common Elements which serve their Unit.

An Owner's maintenance responsibility includes without limitation painting, repairing, replacing, and caring for roofs, gutters, downspouts, building surfaces, patios, walkways, driveways, and all other interior, exterior, and structural improvements on the Owner's Lot, Unit or appurtenant Limited Common Elements. The Owner or Occupant of each Lot or Unit shall at all times keep all weeds and grass located thereon or on an appurtenant Limited Common Element cut in a sanitary, healthful and attractive manner. All trees, and shrubbery located on a Lot, Unit or appurtenant Limited Common Element shall be the responsibility of the Owner of the Lot or Unit.

No Lot, Unit or appurtenant Limited Common Element shall be used for storage of material and equipment, except for normal residential requirements or incident to construction of improvements thereon as herein permitted. The accumulation of garbage, trash or rubbish of any kind and the burning of any such materials is prohibited. In the event of default on the part of the Owner or Occupant of any Lot or Unit in observing the above requirements or any of them, such default continuing after ten (10) days' written notice thereof, the Association may, subject to approval of its Board of Directors, enter upon the Lot, Unit or Limited Common Element, repair, maintain and restore the same, mow, cut or prune such weeds, grass, trees and shrubbery and remove such garbage, trash and rubbish or do any other thing necessary to secure compliance with these restrictions and to place said Lot, Unit or Limited Common Element in a neat, attractive, healthful and sanitary condition. In so doing, the Association shall not be subject to any liability for trespass or otherwise. All costs incurred by the Association under this section shall be charged against the Owner of such Lot or Unit (including without limitation reasonable attorney's fees) as the personal obligation of such Owner and as a lien upon the Lot or Unit, enforceable and collectible in the same manner and to the same extent as a maintenance assessment. Any Occupant of such Lot or Unit shall be jointly and severally liable with the Owner for the payment of such costs.

3.20 Damage, Destruction and Corrective Maintenance. In the event of damage or destruction to any structure located on the Properties, the respective Owner thereof agrees as follows:

(a) In the event of total destruction, the Owner shall promptly clear the Lot, Unit and/or Limited Common Element of debris and leave the same in a neat and orderly condition. Within sixty (60) days of any insurance settlement, the Owner must commence to rebuild and reconstruct the

structure. Any such rebuilding and reconstruction shall be accomplished in conformity with the plans and specifications of the original structure so destroyed, subject to any changes or modifications as approved by the Developer or the Association, as the case may be, in accordance with Article 3 hereof and all of the terms of this Declaration.

(b) In the case of partial damage or destruction, the Owner shall, as promptly as an insurance adjustment may be made, cause the damage or destruction to be repaired and restored in a first class condition in accordance with the plans and specifications of the original structure and in conformity with its original exterior painting and decor. Any change or alteration must be approved by the Developer or the Association, as the case may be, in accordance with Article 3 hereof. In no event shall any damaged structure be left unrepaired and unrestored for in excess of sixty (60) days, from the date of the insurance adjustment.

(c) If an Owner's correction of a maintenance or repair problem necessitates construction work or access on another Lot, Unit or Limited Common Element, said Owner shall have a temporary easement over the adjacent property for such purpose, but said Owner shall be responsible for any damage to the adjacent property which occurs during the work.

3.21 Use of Premises. Each Lot, Unit and Limited Common Element within Riverview at Cumberland Hills shall be used only for private, single-family residential purposes and not otherwise. Notwithstanding the foregoing, Developer may maintain, as long as it owns any portion of the Properties, such facilities as in its sole discretion may be necessary or convenient, including, but without limitation, offices, storage areas, model units and signs, and Developer may use, and permit builders (who are at the relevant time building and selling houses in the development and are approved by Developer) to use, residential structures, garages or accessory buildings for sales offices and display purposes. This provision may not be amended, altered or repaired without the prior consent of the Developer.

3.22 Animals and Pets. No animals, livestock, or poultry of any kind shall be raised, bred, pastured, or maintained on any Lot, Unit or Limited Common Element, except household pets such as small dogs and cats which may be kept thereon in reasonable numbers as pets for the sole pleasure of the Owner or Occupant, but not for any commercial use or purpose. The owner of any pet shall keep the pet confined to the Lot at which said pet-owner resides. No pets shall be allowed to roam free. If, at any time, the Board determines that a pet has become a nuisance as a result of excessive or recurrent noise, damage to real or personal property of the Association or its Members, the deposit of bodily waste outside the Lot or Unit at which the pet-owner resides, or otherwise, the Association is entitled to an injunction from the Chancery Court for Davidson County, Tennessee, requiring the pet-owner to remove the offending pet from Riverview at Cumberland Hills. All costs incurred by the Association as a result of any enforcement proceeding commenced under this section, including reasonable attorney's fees, shall be recoverable from the offending Owner and/or Occupant in the lawsuit.

3.23 Nuisances and Unsightly Materials. No house or other structure on any Lot, Unit or Limited Common Element shall be used for any business or commercial purpose. Each Owner or Occupant shall refrain from any act or use that could reasonably cause embarrassment, discomfort, annoyance, or nuisance to others. No noxious, offensive, or illegal activity shall be carried out upon any Lot, Unit or Limited Common Element. No motorcycle, motorbike, motor scooter, or any other unlicensed motorized vehicle may be operated on or in the Common Areas. No Lot, Unit or Limited

Common Element shall be used, in whole or in part, for the storage of rubbish of any character whatsoever; nor shall any substance, thing, or material be kept upon any Lot, Unit or Limited Common Element which will emit foul or noxious odors. Every Owner and Occupant shall refrain from any activity or from maintaining any thing or material that produces noise that disturbs the peace and quiet enjoyment of the Owners or Occupants of surrounding Lots, Units or other property. The foregoing shall not be construed to prohibit the temporary deposits of trash and other debris for pick-up by garbage and trash removal service units.

3.24 Hobbies and Activities. No illegal or inherently dangerous activity or hobby, including, without limitation, the assembly and disassembly of motor vehicles or other mechanical devices, the shooting of firearms, fireworks, or pyrotechnic devices of any type or size, and other such activities shall be pursued or undertaken on any Lot, Unit, Common Area or Common Element without the express written consent of the Association.

3.25 Visual Obstruction at the Intersection of Public Streets. No object or thing which obstructs sight lines at elevations between two (2) feet and six (6) feet above the surface of the streets shall be placed, planted or permitted to remain on any corner Lot, Unit or Limited Common Element within the triangular area formed by the curb lines of the streets involved and a line running from curb line to curb line at points twenty-five (25) feet from the junction of the street curb lines. The same limitations shall apply on every Lot, Unit or Limited Common Element located within ten (10) feet from the intersection of a street property line and the edge of a driveway.

3.26 Governmental Restrictions. Each Owner shall observe all governmental building codes, health regulations, zoning restrictions, and other regulations applicable to his Lot, Unit or Limited Common Elements. In the event of any conflict or overlap between any provision of any such governmental code, regulation, or restriction and any provisions of this Declaration, the more restrictive provision shall apply.

3.27 Roads. Each Owner of a Lot or Unit shall consult with the Chief Engineer of the Tennessee Highway Department or the Traffic and Parking Commission of the local governmental body with jurisdiction over the Properties, or their equivalent before any driveways, culverts, other structures or grading are constructed within the limits of any dedicated roadway, and such placement or construction shall be done in accordance with the requirements of the said agencies applying to such roads in order that the roads or streets within the subdivision which would be affected by such placement or construction may not be disqualified for acceptance into the public road system by Davidson County, Tennessee or any other local governmental governing body with jurisdiction over roads within Riverview at Cumberland Hills.

3.28 Easement for Roads. The right is expressly reserved to Developer, its representatives, heirs, successors and assigns, to construct all streets, roads, alleys, or other public ways as now, or hereafter may be, shown on the Plat(s), at such grades or elevation as they, in its sole discretion, may deem proper; and, for the purpose of constructing such streets, roads, alleys or public ways, it additionally, shall have an easement, not exceeding ten (10) feet in width, upon and along each adjoining Lot or Unit, for the construction of proper bank slopes in accordance with the specifications of the government body or agency having jurisdiction over the construction of public roads; and no Owner of any Lot or Unit shall have any right of action or claim for damages against anyone on account of the grade of elevation at which such road, street, alley or public way may

hereafter by constructed, or on account of the bank slopes constructed within the limits of the said ten (10) foot easement.

3.29 Leasing. Subject to the terms of this Section 3.29, leasing of Lots and Units is permitted. The Board is hereby authorized to make reasonable rules and regulations relating to leases and to the implementation of the provisions of this Section, including without limitation lease application requirements, notice requirements as to names and numbers of tenants, the creation of a waiting list for the right to lease a Lot or Unit, the priority given to Owners on the waiting list and penalties for violations of this paragraph or the Board's leasing rules. The Association may also adopt a lease registration program which may require, among other things, an Owner to pay an annual fee to the Association for each leased Lot or Unit to defray the cost to the Association of maintaining current information about the Occupants of leased Lots and leased Units.

For purposes of this Section, the term "lease" shall be deemed to include any agreement under which a Person or Persons other than the Owner occupy a Lot or Unit in exchange for money or any other consideration, including without limitation a lease for any term, a tenancy at will, a tenancy at sufferance, a holdover tenancy, a lease/purchase contract, a lease with an option to purchase and a temporary occupancy agreement.

No Lot or Unit may be leased for a term of less than twelve (12) months. Leasing a Lot or Unit for a shorter term, including without limitation operating a boarding house, bed-and-breakfast establishment, motel, hotel, any other means of transient occupancy, and short-term rental of Lots and Units through AirBnB.com, VRBO.com or other similar websites, is strictly prohibited. Lots and Units may only be leased in their entirety. Renting rooms or any portion of a Lot or Unit less than the entire dwelling is strictly prohibited.

If an Owner leases a Lot or Unit in violation of this Section, or if the occupant of a leased Lot or Unit violates any provision of the Declaration, the Association's Bylaws, Rules or Regulations, in addition to any other remedy to which the Association is entitled, the Association may declare the lease to be terminated and commence eviction proceedings against the Occupants. In such proceedings, the Association shall be entitled to recover from the Owner and all adult Occupants all expenses of such proceedings incurred by the Association, including without limitation the Association's reasonable attorney's fees.

3.30 Restriction on Products, Items and Materials Flushed In Toilets. The sewage disposal system for the Properties may include grinder pumps for each home. If so, due to problems created by wipes and other items which may clog the sewage disposal system, no manufactured items, products or materials other than standard toilet paper may be flushed in any toilet within Riverview at Cumberland Hills. Products prohibited from being flushed include without limitation so-called "flushable wipes." Each Owner acknowledges, understands and agrees that (a) they are solely responsible for the operation of their home's grinder pump and (b) they are liable for any and all damages or expenses (including reasonable attorney's fees) incurred by the Association or another Owner as a result of their violation of this Section or the improper operation of their home's grinder pump. Unless otherwise approved in writing by the Developer or the Association, grinder pumps must be the same make and model of the grinder pump depicted and described in Exhibit D to this Declaration.

ARTICLE 4

ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

4.1 Membership. Every Person who is the Owner of record of a fee interest in any Lot or Unit shall be a Member of the Association, subject to and bound by this Declaration and the Association's Charter and the Bylaws of the Association attached hereto as Exhibit B, and such rules and regulations as may be adopted by the Association. When any Lot or Unit is owned of record in joint tenancy, tenancy in common, tenancy by the entirety, or by some other legal entity, the Association membership shall be joint and the rights of such membership (including the voting power arising therefrom) shall be exercised only as stipulated in Section 4.2 below.

4.2 Voting and Voting Rights. The voting rights of each Owner shall be appurtenant to the ownership of their Lot or Unit. Each Owner besides Developer and its successors and assigns (the "Class A Members") shall be entitled to one (1) vote for each Lot or Unit owned. Developer (the "Class B Member") shall be entitled to five (5) votes for each Lot and Unit it owns until such time as one-hundred percent (100%) of the Lots and Units subjected to this Declaration by this instrument or by any Supplementary Declaration have been sold by Developer or until ten (10) years from the later of the date hereof or the date of the last such Supplementary Declaration, whichever shall first occur. When two (2) or more Persons hold an ownership interest in any Lot or Unit, all such Persons shall be Members. The vote for such Lot or Unit shall be exercised by one (1) of its owners as proxy or nominee for all Persons holding an ownership interest in the Lot or Unit. In no event shall more than one (1) vote be cast with respect to any Lot or Unit, except as provided above with respect to Developer.

4.3 Method of Voting. Members may vote in person or by proxy executed in writing by the Member. No proxy shall be valid after eleven (11) months from the date of its execution or after the Member's conveyance of his Lot or Unit. No proxy shall be valid unless promulgated by the Board as an official proxy. The vote of a Member which is not a natural person shall be cast by any Person authorized by the Member to cast such vote. Voting on all matters except the election of directors may be by voice vote or by show of hands unless a majority of the Members of each membership class present at the meeting shall, prior to voting on any matters, demand a ballot vote on that particular matter. Where directors or officers are to be elected by the Members, the official solicitation of proxies for such elections may be conducted by mail, email or by any other reasonable means approved by the Board.

Any action that the Members may take at a meeting may also be taken by written ballot in accordance with the provisions of Tenn. Code Ann. § 48-57-108.

4.4 First Meeting of Members. The first regular annual meeting of the Members shall be held on a date and at a time and place determined by the Board; provided, however, if a state or federal statute or governmental regulations so require, the first regular annual meeting of the Members shall be held no later than the earlier of: (a) eight (8) months after all Lots and Units have been sold by the Developer; or (b) ten (10) years after conveyance of the first Lot or Unit by Developer to a Class A Member.

4.5 Working Capital. The Association shall establish a working capital fund funded by contributions by each purchaser of a Lot or Unit in such amount as the Board may determine from

time to time. Each working capital contribution shall be collected from the purchaser and transferred to the Association upon the earlier of the closing or conveyance of title to the Lot or Unit . Such capital contributions shall be maintained in an account for the use and benefit of the Association. Amounts paid into the fund shall not be considered as advance payment of regular assessments. The purpose of the working capital fund is to ensure the Association will have cash available to meet unforeseen expenditures, to acquire additional equipment or services or for any other purpose the Board deems to be necessary, desirable or in the best interests of the Association.

4.6 Acceptance of Development. By the acceptance of a deed to a Lot or Unit, the Owner shall be deemed to have accepted and approved the entire plans for Riverview at Cumberland Hills, and all improvements constructed by that date, including, without limitation, the utilities, drains, roads, sewers, landscaping, Common Area amenities, and all other improvements as designated on the Plat, and as may be supplemented by additional plats upon completion of development of the Subdivision. Each Owner agrees to accept all improvements constructed after the date of purchase consistent with such plans. Security for the Properties may be provided at Developer's discretion, but no Owner shall have any cause of action against Developer or the Association for failure to provide adequate security.

ARTICLE 5

COMMON AREA PROPERTY RIGHTS, ASSESSMENTS AND INSURANCE

5.1 Common Areas. Each Owner shall have a non-exclusive right and easement of enjoyment in and to the Common Areas and Common Elements which shall be appurtenant to and shall pass with the title to each Lot and Unit; provided, however, that Limited Common Elements are for the exclusive use of the Owner of a Unit to which they are appurtenant. Such rights and easements are subject to the provisions of the Governing Documents including without limitation the following:

- (a) The right of the Association to limit the use of the Common Areas to Owners or Occupants, their families and their guests;
- (b) For any Owner whose assessment against his Lot becomes delinquent and any Owner or Occupant who is otherwise in violation of the provisions of this Declaration, the Bylaws or the rules and regulations of the Association the right of the Association to suspend (i) voting privileges, (ii) the right to run for or serve on the Board and (iii) the right to use the Common Areas and Common Elements;
- (c) The right of the Association to dedicate or transfer all or any part of the Common Areas or Common Elements to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed upon by the Members; provided that no such dedication or transfer shall be effective unless the Members entitled to cast at least three-fourths (3/4) of the votes agree to such dedication or transfer and signify their agreement by a signed and recorded written document; and provided further that this paragraph shall not waive the Board's right to grant easements for the installation and maintenance of storm water drainage facilities, electrical, telephone, cablevision, internet, water, sewerage upon, over, under, and across the Common Areas and Common Elements without the assent of the membership when, in the Board's opinion, such easements will facilitate the convenient use and enjoyment of the Properties or are otherwise in the best interests of the Association; and

(d) the rights of Developer to:

(i) require the Association to swap Common Area or Common Elements if necessary to cure any setback or other building regulation violation; and

(ii) redesignate any portion of the Common Area or Common Elements as developable Lots or Units (or portions thereof), or require the Association to convey Common Area or Common Elements to the Developer for such redesignation;

(so long as such transfer or redesignation is done in accordance with all applicable governmental requirements and the total amount of Common Area and Common Elements within Riverview at Cumberland Hills is not materially diminished).

(e) The right of the Board to adopt rules and regulations governing the use of the Common Areas and Common Elements by Owners and Occupants, their families, guests and any other Person allowed to use the Common Areas and Common Elements;

(f) The right of the Association to allow non-Owners to use the Common Areas, Common Elements and amenities thereon on such terms and conditions as are determined by the Board, or pursuant to an agreement with another community association to that effect (the Board being authorized to enter into such an agreement without a vote of the Members); and

(g) The right of the Association to lease, grant concessions or grant easements with respect to parts of the Common Area or Common Elements (subject to the provisions of this Declaration and this Declaration or the Bylaws), all income derived by the Association from such sources to be held and used for the benefit of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe.

5.2 Assessment for Maintenance of Common Areas.

(a) **Base Assessments.** For each Lot or Unit within Riverview at Cumberland Hills on which a dwelling has been completed, every Owner (except Developer) covenants and agrees, and each subsequent Owner of any such Lot or Unit, by acceptance of a deed therefor, shall be deemed to covenant and agree, to pay to the Association monthly or annual assessments or charges (the "Base Assessment") for the creation and continuation of a maintenance fund in amounts to be established from time to time by the Board in order to maintain, landscape, and beautify the Common Areas, to promote the health, safety, and welfare of the residents of the community, to pay taxes, if any, assessed against the Common Areas, to procure and maintain insurance thereon, to employ attorneys, accountants, and security personnel, and to provide such other services as are not readily available from governmental authorities having jurisdiction over the same. In addition, the Owner of each Lot and each subsequent Owner thereof, by acceptance of his deed, covenants and agrees to pay special assessments as approved by the membership in the manner provided herein.

(b) **Assessments Against Lots and Units Owned by Developer.** Developer shall be exempt from all assessments, fines and other charges levied by the Association of any nature.

5.3 Creation of Lien and Personal Obligation of Assessments and Other Charges. In order to secure payment of all assessments, fees, fines, attorney's fees and other charges owed to the Association (hereinafter referred to collectively as "Charges"), as the same become due, there shall arise a continuing lien against every Lot and Unit, the amount of which shall include interest at the maximum effective rate allowed by law, costs, and reasonable attorney's fees to the extent permissible by law. Each Charge, together with such interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the Owner at the time the assessment became due; provided that this personal obligation shall not pass to successors in title unless expressly assumed by them. The lien provided for herein, however, shall be subordinate to the lien of any first deed of trust (sometimes hereinafter called "mortgage") on any Lot or Unit, but only with respect to Charges which come due after the date such first mortgage is filed of record. The sale or transfer of any Lot or Unit shall not affect any such lien. The sale or transfer of any Lot or Unit which is subject to any first mortgage, pursuant to a foreclosure thereof or under power of sale or any proceeding in lieu of foreclosure thereof, shall extinguish the lien created hereunder, but not the personal obligation of any former Owner, as to payments that became due prior to such sale or transfer and subsequent to the recordation of the first mortgage that has been foreclosed, but the Association shall have a lien upon the proceeds from foreclosure or of sale junior only to the lien of the foreclosed first mortgage. No foreclosure sale or other transfer shall relieve such Lot or Unit from the Association's lien or liability for any Charges which come due after the sale or transfer.

5.4 Levy of Assessments. The Board shall fix the commencement date for Base Assessments on a day and date selected by the Board. Owners shall pay partial assessments which are proportionate to the periods of ownership which are less than a full assessment period. Thereafter, the Board shall prepare an annual budget and levy Base Assessments on or before December 1 of each year for the ensuing year. The Board, in its discretion, may provide for the periodic payment of such assessments at some intervals other than monthly or annually.

The Board may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas or Common Elements, or to pay for any expense or cost which is unexpected or exceeds the Association's budgeted expenses; provided that special assessments must be approved by affirmative vote of Members entitled to cast at least two-thirds (2/3) of the total votes of the Association. Written notice of the monthly, annual or special assessment shall be sent to every Owner subject thereto by means permitted under the Association's Bylaws.

The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association (or such other Person authorized by the Board) setting forth whether the assessments on a specified Lot or Unit have been paid and the amount of any delinquencies. The Association may prepare and deliver such certificate to any party who in the Association's judgment has a legitimate reason for requesting the same.

5.5 Rate of Assessment. All Lots and Units in the development shall become subject to assessments simultaneously, except that Lots and Units do not accrue liability for assessments of any nature while they are owned by Developer.

5.6 Specific Assessments, Fees and Other Charges. The Association shall have the power to levy a "Specific Assessment" against a Lot or Unit as follows:

(a) to cover the costs, including overhead and administrative costs, of goods or services incurred by the Association attributable to activities or uses of some but not all Lots or Units (e.g. the cost of administering leases and maintaining information regarding occupants of leased Lots and Units) or the cost of providing benefits, items, or services to a Lot, Unit, Limited Common Element or Occupants thereof upon request of the Owner, which Specific Assessment may be levied in advance of the provision of the requested benefit, item or service as a deposit against charges to be incurred by the Owner; and

(b) to cover costs incurred in bringing a Lot, Unit or Limited Common Element into compliance with the terms of the Governing Documents, or costs incurred as a consequence of the conduct of the Owner or Occupants, their agents, contractors, employees, licensees, invitees, or guests. Such costs shall include without limitation the Association's reasonable attorney's fees incurred in connection with enforcement of the Governing Documents.

(c) In addition to assessments, the Association may charge the following fees in such amounts as the Board shall establish and may modify from time to time:

(i) upon the purchase or other conveyance of a Lot or Unit, a transfer fee payable by the new Owner at the time of closing or the date of conveyance whichever is earlier;

(ii) upon the purchase or other conveyance of a Lot or Unit, a working capital fee payable by the new Owner at the time of closing or the date of conveyance whichever is earlier

(iii) a fee for determining the amount of unpaid assessments and other charges owed with respect to any Lot or Unit, payable by the requesting party in advance;

(iv) a collection fee to an Owner if the Association seeks assistance from another Person or attorney with the collection of unpaid assessments, fines or other charges owed to the Association with respect to said Owner's Lot or Unit;

(v) a late fee to an Owner if any assessment, fine or other charge owed to the Association is not timely paid;

(vi) an annual lease administration fee to an Owner for each leased Lot or Unit, said fees being for the purpose of defraying costs and expenses incurred by the Association in connection with leased Lots and the collection of information about Occupants of leased Lots;

(vii) a fee for providing an estoppel certificate payable by the requesting party in advance; and

(viii) a fee for providing such other goods or services as the Board may determine from time to time.

If the Association enters into a management contract which requires the Association to pay any of the fees listed above to the property manager, the Association, at its option, may require the Owner or the requesting party to pay the fee directly to the management company.

Fines, fees and other charges levied by the Association pursuant to the Governing Documents shall constitute Specific Assessments.

(d) **No Assessments Payable or Developer.** Notwithstanding any other provision contained in this Declaration, the Bylaws or the Charter, no assessments or other fees or charges shall be levied against Lots, Units or any other property owned by Developer.

5.7 Effect of Non-Payment of Assessments and Remedies of the Association. Any Base Assessment, Specific Assessment, fee or other charge levied by the Association which is not paid within thirty (30) days after the due date shall be subject to a monthly late fee in an amount determined by the Board and published to the Members from time to time, or ten percent (10%) of the outstanding balance owed, whichever is greater. Unpaid monies owed to the Association shall also bear interest from the due date at the maximum rate allowed by law. The Association, its agent or representative, may bring an action at law against the Owner or foreclose the lien against the Lot or Unit which secures the unpaid assessments, fees and/or other charges. In any such action or foreclosure, the Association shall be entitled to recover all unpaid monies owed plus interest, costs and the Association's reasonable attorney's fees. No Owner may avoid liability for the assessments provided for herein by non-use of the Common Areas or Common Elements, or the abandonment of his Lot or Unit.

5.8 Insurance.

(a) The Board shall purchase extended coverage fire and casualty insurance covering all Common Area and any other improvements, personal property, equipment, fixtures and supplies owned by the Association (excluding Limited Common Elements). The face amount of such policy or policies shall not be less than one hundred percent (100%) of the current replacement cost of the insured property. Such policy shall contain and agreed amount and an inflation guard endorsement, if such can be reasonably obtained, and also construction code endorsements, such as demolition costs endorsement, contingent liability from operation of building laws endorsement and increased cost of construction endorsement. Such policy shall also contain steam boiler and machinery coverage endorsements, if applicable. The insurance policies so purchased shall be purchased by the Association for the use and benefit of individual Owners and their mortgagees. To the extent reasonably available, such policy shall waive rights of subrogation against Owners, the Association, and all agents of the Association. The insurance policies purchased by the Association shall also provide, to the extent reasonably available, that the insurance will not be prejudiced by any acts or omissions of Owners that are not under the control of the Association, and that such policies will be primary even if the Owner has other insurance which covers the same loss. The insurance policy shall also provide that any applicable insurance trust agreement will be recognized. Upon request, the Association shall issue certificates of insurance to an Owner for policies of insurance purchased by the Association then in effect.

(b) The Board shall also purchase comprehensive liability insurance, in such amounts as it deems desirable, insuring the Association, its officers, directors, employees, Developer, and the managing agent if any, from liability in connection with the Common Area and general Common Elements. The Board shall retain in safekeeping any such liability policy for six (6) years after the expiration date of the policy.

(c) If available at reasonable cost, as determined in the sole discretion of the Board, the Association shall purchase directors and officers liability insurance in an amount determined by the Board. It is presently agreed that coverage in the amount of Two Hundred and Fifty Thousand and No/100 Dollars (\$250,000.00) per occurrence would be a reasonable amount of such coverage.

(d) **Owner's Insurance.** By virtue of taking title to a Lot or Unit, each Owner covenants and agrees to purchase property insurance for the full replacement cost of all structures and insurable improvements on his or Lot, Unit or appurtenant Limited Common Elements, less a reasonable deductible. Each Owner further covenants and agrees that in the event of damage to or destruction of structures on or comprising the Lot, Unit or Limited Common Element, the Owner shall proceed promptly to repair or to reconstruct in a manner consistent with the original construction or such other plans and specifications as are approved by the Association, regardless of whether the insurance proceeds are sufficient to pay the cost of such work. Alternatively, the Owner shall clear the Lot, Unit and/or Limited Common Elements and maintain the same in a neat and attractive, landscaped condition consistent with the Community-Wide Standard. The Owner shall pay any costs which are not covered by insurance proceeds.

The Board may request that Owners provide evidence of insurance as required in this subsection at reasonable intervals.

ARTICLE 6

EASEMENTS

6.1 General. The Lots, Units, Common Areas and Common Elements subject to this Declaration shall be subject to all easements shown or set forth on the Plat or on any exhibit to this Declaration.

6.2 Easements for Encroachment. If any portions of the Common Elements (including without limitation the Limited Common Elements) shall actually encroach upon any HPR or Private Elements, or if any HPR Unit or Private Elements shall actually encroach upon any portions of the Common Elements, or if any HPR Unit or Private Elements shall actually encroach upon another HPR or Private Elements, as the Common Elements, HPR Units and Private Elements are described and depicted on Exhibit A-1 and Exhibit A-2 to this Declaration, there shall be deemed to be mutual easements in favor of the Association and the respective HPR Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

6.3 Development and Construction. Developer hereby, declares, grants and reserves for the benefit of Developer and its respective affiliates and approved assignees and designees, together with the right to grant, assign, and transfer the same to their respective sales agents and/or sales representatives, (a) an easement for construction activities anywhere on the Property, and (b) an easement for sales, marketing and promotional activities, including, without limitation, the installation and of signs on the Property and for the construction and maintenance on the Property from time to time of a sales and administrative center in which and from which Developer, any builder approved by Developer, their respective affiliates and their respective authorized sales agents and sales representatives may engage in marketing, sales and promotional activities and related or supportive administrative activities of a commercial nature.

6.4 Emergency. There is hereby reserved, without further assent or permit, a general easement to all security guards employed by the Association, policemen, firemen, ambulance personnel, and any similarly authorized governmental personnel to enter upon the Properties or any portion thereof for the purpose of performing their respective duties.

6.5 Utilities. Developer hereby establishes and reserves unto itself, the Association, and their successors and assigns: (a) a perpetual non-exclusive easement over and across Common Area and Common Elements for public and private utilities necessary or required to serve Riverview at Cumberland Hills, the HPR Property, the Lots or the Units; (b) a non-exclusive utility easement over, across and under each HPR Unit and the Common Elements to the extent necessary or required to provide utility service to any HPR Unit or to any portion of the HPR Property; provided, however, that such easement will not unreasonably interfere with the use of any HPR Unit for residential purposes; and (c) an easement on the exterior elevation of each residence (including necessary penetrations into the residence) for the purpose of installation, operation, maintenance, and repair of meters, panels, lines and related facilities or appurtenances necessary or required to utilities to each HPR Unit and the residences located therein. In addition, Developer while it maintains its Class B membership, and thereafter the Board, may grant further easements over and across the HPR Units, Common Areas and the Common Elements to the extent necessary or required to provide utilities to Lots and/or HPR Units; provided, however, that such easements shall not unreasonably interfere with the residential use of any dwelling.

A company or entity, public or private, furnishing utility service to any property within Riverview at Cumberland Hills, is granted an easement over the Properties, including the residences, for ingress, egress, meter reading, installation, maintenance, repair, or replacement of utility lines and equipment, and to do anything else necessary to properly maintain and furnish utility service to Riverview at Cumberland Hills. Utilities may include, but are not limited to, water, sewer, trash removal, electricity, gas, telephone, electronic communications and internet, master or cable television and security. Neither Developer nor any utility company using the easements shall be liable for any damage done by either of them, their successors, assigns, agents, employees or servants to shrubbery, trees, flowers or improvements installed or maintained within or affected by said easements. A right of pedestrian access by way of a driveway or open lawn area shall also be granted to any utility company having an installation within an easement located on any Lot, Unit, Common Area or Common Element. Except for those improvements for which a public authority or public utility company is responsible, any easement located upon a Lot, Unit or Limited Common Element shall be maintained continuously by the Owner who is responsible for maintaining same. Fences shall not be allowed to be constructed over or along any easement for public utilities.

ARTICLE 7

DEVELOPER RIGHTS

7.1 Provisions Inoperative as to Initial Construction; Exemptions for Specified Parties. Nothing contained in this Declaration will be interpreted, construed or applied to prevent Developer or with the prior written consent of Developer so long Developer owns any portion of the Property, or its or their contractors, subcontractors, agents, and employees (collectively, "Specified Parties"), from doing or performing on all or any part of the Property owned or controlled by Developer whatever is determined to be reasonably necessary or convenient to complete the development of Riverview at Cumberland Hills including, but not limited to, (i) the right to erect, construct, and maintain such structures and other improvements as may be

reasonably necessary or convenient for the conduct of the Specified Parties' business of completing the development, establishing the Property as a residential community and disposing of the same by sale, lease, or otherwise; and (ii) the right to maintain such signs as may be reasonably necessary or convenient in connection with the development or the sale, lease or other transfer of Lots or Units, or the sales and marketing activities on the Property.

7.2 Construction Activities. All Owners, Occupants, and users of Lots and Units are hereby placed on notice that Developer and/or its agents, contractors, subcontractors, licensees, and other designees, successors, or assigns, shall continue, from time to time, to conduct construction activities within the Property. By the acceptance of a deed or other conveyance or leasehold, license, or other interest in a Lot or Unit, and/or by using any portion of a Lot, Unit or the Property generally, Owners, Occupants and all residents and visitors to the Property acknowledge, stipulate, and agree: (i) such activities shall not be deemed nuisances, or noxious or offensive activities, under any applicable covenants or at law generally; (ii) not to enter upon, or allow their children or other Persons under their control or direction to enter upon (regardless of whether such entry is a trespass or otherwise), any property within or in proximity to the Lot, Unit or any other portion of the Property where such activities are being conducted (even if not being actively conducted at the time of entry, such as at night, a holiday or otherwise during non-working hours); (iii) that Developer and all of its agents, contractors, subcontractors, licensees, and other designees, successors, and assigns, shall not be liable for any losses, damages (compensatory, consequential, punitive, or otherwise), injuries, or deaths arising from and/or relating to any breach of this covenant; (iv) that any purchase or use of any portion of a Lot or Unit has been and will be made with full knowledge of the foregoing; and (v) this acknowledgment and agreement is a material inducement to Developer to sell, convey, lease, and/or allow the use of Lots and Units within the Property.

7.3 Disclaimer of Representations and Warranties. EXCEPT AS EXPRESSLY PROVIDED IN THIS DECLARATION, NO REPRESENTATION OR WARRANTY OF ANY KIND, WHETHER EXPRESS OR IMPLIED, HAS BEEN GIVEN OR MADE BY DEVELOPER OR THEIR AGENTS OR EMPLOYEES IN CONNECTION WITH THE PROPERTY, ITS PHYSICAL CONDITION, ZONING, COMPLIANCE WITH APPLICABLE LAWS, MERCHANTABILITY, HABITABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR IN CONNECTION WITH THE COMMUNITY, SALE, OPERATION, MAINTENANCE, COST OF MAINTENANCE, TAXES OR REGULATION THEREOF. IF ANY SUCH WARRANTY CANNOT BE DISCLAIMED, AND AS TO ANY CLAIMS WHICH CAN BE MADE AS TO THE AFORESAID MATTERS, ALL INCIDENTAL AND CONSEQUENTIAL DAMAGES ARISING THEREFROM ARE HEREBY DISCLAIMED.

7.4 Access and Control. Developer and the Association may, but shall not be obligated to, maintain or support certain activities within the Property designed to make the Property more secure than they otherwise might be. **Neither the Association nor Developer shall in any way be considered insurers or guarantors of privacy or safety within the Property. Neither the Association nor Developer shall be held liable for any loss or damage by reason of failure to provide adequate safety or privacy, or ineffectiveness of privacy or safety measures undertaken.** All Owners and Occupants of any Lot or Unit, tenants, guests and invitees of any Owner, as applicable, understand, acknowledge and agree that (i) Developer, the Association, and the officers, directors and supervisors of each of them, are not in any

way liable for the function or efficacy of any fire protection system, electronic monitoring system or other privacy system, whether or not approved by the Developer or the Architectural Control Committee, and whether or not such systems or equipment was installed according to guidelines established by Developer or the Association, (ii) Developer, the Association, and the officers, directors and supervisors of each of them, do not warrant that any fire protection or electronic monitoring systems or other privacy systems will prevent loss by fire, smoke, burglary, theft, hold-up, or otherwise, and (iii) that fire protection or electronic monitoring systems or other privacy systems will in all cases provide the detection or protection for which the system is designed or intended. Each Owner and Occupant of any Lot or Unit, and each tenant, guest and invitee of an Owner, as applicable, acknowledges and understands that each Owner and occupant of any Lot or Unit and each tenant, guest and invitee of any Owner assumes all risks for loss or damage to Persons, to Lots, Units and to the contents of dwellings and further acknowledges that neither the Association nor Developer have made representations or warranties nor has any Owner, Occupant, tenant, guest or invitee relied upon any representations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose, relative to any fire and/or electronic monitoring systems or other privacy systems recommended or installed or any privacy measures undertaken within the Property.

7.5 Natural Conditions. The Property may contain a number of manmade, natural, and/or environmentally sensitive areas that may serve as habitats for a variety of native plants and wildlife, including, without limitation, insects, venomous and non-venomous snakes, alligators, other reptiles, raccoons, foxes, wild dogs, wild cats, coyotes, birds and other animals, some of which may pose hazards to persons and/or pets coming in contact with them. Each Owner and Occupant of any Lot or Unit, and every person entering the Property: (a) acknowledges and agrees that such plants and wildlife are indigenous to the area and are not restrained or restricted in their movements within and/or through the Property; and (b) knowingly and voluntarily assumes all risk of property damage, personal injury and/or death arising from the presence of such plants and wildlife within the Property. Neither the Association, Developer, nor the members, partners, affiliates, officers, directors, shareholders, attorneys, designees, agents, and/or employees of any of the foregoing, shall have any duty to take action to control, remove, or eradicate any plant or wildlife within the Property, nor shall they have any liability for any property damage, personal injury and/or death resulting from the presence, movement, and/or propagation of any plant or animal wildlife within or through the Property. The areas described in this Section may also contain ponds, lakes, retention ponds, detention ponds, dry detention areas, intermittent pools of water, muddy areas and/or buffer areas, among other things, all of which are important to the ecological balance and maintenance of the area as a wildlife habitat. No Owner or Occupant of a Lot or Unit may enter upon, or permit their guests, family members, invitees, agents, tenants, employees, contractors, subcontractors, visitors or any other Person acting on that Owner's behalf to enter upon and/or disturb any such areas in any way without the prior written approval of the Association.

7.6 Flood Zones. Flood zone determinations are made by the Federal Emergency Management Agency. Developer makes no assurance, with regard to any portion of the Property, that any flood zone designation for a Lot, Unit or Limited Common Element existing as of a particular date will remain the same. Developer further advises that any such flood designation could be changed due to re-grading of the land as a result of the land development process. Each Owner, by virtue of taking title to a Lot or Unit, acknowledges and agrees, and shall be deemed to

have acknowledged and agreed, that Developer has no involvement in the determination or designation of flood zone designations for any portion of the Property.

ARTICLE 8

GENERAL PROVISIONS

8.1 Exercise of Powers. Until such time as the Association is formed and its Board of Directors is elected, Developer shall exercise any of the powers, rights, duties, and functions of the Association and/or its Board.

8.2 Duration. The restrictions contained in this Declaration shall be construed as covenants running with the land and shall be binding and effective for fifty (50) years from the date hereof, at which time they shall be automatically extended for successive periods of ten (10) years each unless it is agreed by vote of a two-thirds (2/3) of the total votes in the Association to revoke this Declaration in whole or in part. Every purchaser, or subsequent grantee of any interest in the Properties made subject to this Declaration, by acceptance of a deed or other conveyance therefor, agrees that the restrictions set forth in this Declaration may be extended as provided in this paragraph.

8.3 Amendment. So long as the Developer owns any property within or annexable into Riverview at Cumberland Hills, Developer may amend any provision of this Declaration without joinder or approval of any other Owner. Developer also reserves the right to file any amendments that may be necessary to correct clerical or typographical errors in this Declaration, and to make any amendments that may be necessary to conform the Declaration with regulations of the Federal Home Loan Mortgage Corporation, Federal Housing Administration, the Veteran's Administration or other applicable regulations that may be necessary to assure lender approval of the development.

This Declaration may also be amended by the affirmative vote of the Owners of at least two-thirds (2/3) of the total votes of the Association, and the written consent of Developer (so long as Developer own any property within or annexable into Riverview at Cumberland Hills). No such amendment shall become effective until the instrument evidencing such change has been filed of record. Notwithstanding the foregoing, the Owners shall have no right to amend any provision affecting the rights, exemptions, authorizations, approvals or easements of Developer, or any other provision otherwise affecting Developer or property owned by it, without the prior written consent of the affected party.

8.4 Enforcement. In the event of any violation of the provisions of this Declaration, the Bylaws or the rules and regulations of the Association by any Owner (either by the Owner's own conduct or by the conduct of any Occupant, pet, visitor or invitee to the Lot or Unit) the Association, or its successors or assigns, or the Board, or its agent, and any Owner(s) shall have each and all of the rights and remedies which may be provided for in this Declaration, the Bylaws, or said rules and regulations, or which may be available at law or in equity, and may prosecute an action or other proceeding against such defaulting Owner and/or others for enforcement of any lien and the appointment of a receiver for the Lot or Unit and ownership interest of such Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to sell the Lot or Unit through judicial process as provided hereinbefore, or for any combination of remedies, or for any other relief. All expenses of the

Association in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of ten (10%) percent per annum until paid, shall be charged to and assessed against such defaulting Owner and/or other party, and shall be added to and deemed part of such Owner's respective share of the common expenses, and the Association shall have a lien for all of the same, as well as for nonpayment of the Owner's respective share of the common expenses, upon the Owner's Lot or Unit and Owner's ownership interest in the Association, and upon all of such Owner's additions and improvements thereto and upon all of such Owner's personal property located in such Owner's Lot or Unit or located elsewhere on the Property, provided, however, that such lien shall subordinate to the lien of a recorded mortgage or deed of trust on the interest of such Owner, except for the amount of the proportionate share of said common expenses which become due and payable from and after the date on which the said mortgage or deed of trust owner or holder either takes possession of the Lot, accepts a conveyance of any interest therein (other than as a security) or files suit to foreclose its mortgage or deed of trust. In the event of any such default by any Owner, the Board and the manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and the Association may charge all expenses in connection therewith against such defaulting Owner and/or other party. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Association the right, in addition to any other rights provided for in this Declaration; (a) to enter upon the Lot, Unit or Limited Common Element (either peaceably or forcibly without liability to such Owner for such entry), or any portion of the Property upon which, or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Association, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Owner for such entry) of such Owner's interest in the Property and to maintain an action for possession of such Lot, Unit or Limited Common Element in the manner provided by law. The Association is also authorized to remove any unauthorized encroachment on the Common Area or Common Elements and charge the responsible party with all costs of removal. In addition to any other remedy to which the Association is entitled, in the event of a breach of any provision of the Governing Documents, the Association shall be entitled to recover from the at-fault party and/or Owner of the Lot or Unit where the at-fault party resides or was visiting, all expenses of the Association in connection with its enforcement of the Governing Documents including court costs, reasonable attorneys' fees, and any other fees and expenses and all damages incurred, liquidated or otherwise, together with interest thereon at the rate of ten (10%) percent per annum until paid.

Notwithstanding the foregoing, no judicial or administrative proceeding shall be commenced or prosecuted by the Association, nor shall any legal services be provided with respect to preparing for such judicial or administrative proceedings unless approved by a vote of (a) 75% of the Class A Members eligible to vote, and (b) the Class B Member (if Class B membership has not been terminated). The Association shall prepare a budget of the total estimated cost of the

litigation which shall be submitted to the Members for a vote along with the notice of the proposed litigation. The budget shall be based upon an estimate of the total cost and fees of the litigation made by the attorney being retained by the Association for the litigation. The Association shall issue a special assessment to all Owners whose interests the legal proceedings are intended to protect in accordance with the process for issuing special assessments provided herein. No funds generated from Base Assessments or any other source besides the special assessment described in this Section may be used to finance the legal proceedings. Prior to preparation for and institution of legal proceedings, any special assessment levied in such regard must be more than 75% collected. This Section shall not apply, however, to (a) actions brought by the Association against parties other than Developer to enforce the provisions of this Declaration (including without limitation, the foreclosure of liens), (b) the imposition and collection of assessments as provided herein, (c) proceedings involving challenges to ad valorem taxation, (d) counterclaims brought by the Association in proceedings instituted against it, or (e) any dispute in which the amount in controversy is \$10,000 or less, as adjusted for inflation from year to year. This Section shall not be amended without the written approval of Developer (so long as it owns any property within or annexable into Riverview at Cumberland Hills).

8.5 Headings and Binding Effect. Headings are inserted only for convenience and are in no way to be construed as defining, limiting, extending or otherwise modifying or adding to the particular paragraphs to which they refer. The covenants, agreements and rights set forth herein shall be binding upon and inure to the benefit of the respective heirs, executors, successors and assigns of Developer and all Persons claiming by, through or under Developer.

8.6 Unintentional Violation of Restrictions. In the event of unintentional violation of any restriction contained herein, the Developer and its successors reserve the right (by and with the mutual written consent of the Owner of any affected Lot or Unit) to waive either temporarily or permanently, any of the foregoing restrictions as the same may apply to a Lot, Unit or Limited Common Elements.

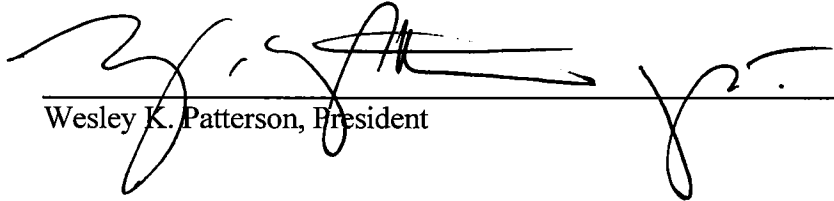

8.7 Books and Records. During reasonable business hours, the books and records of the Association shall be subject to inspection by any Member upon five (5) days prior written notice. The Charter, the Bylaws of the Association, and this Declaration shall be available for inspection by any Member at the principal office of the Association, where copies may be purchased at a reasonable cost.

8.8 Conflicts. In the event of any conflict between the provisions of this Declaration, the Bylaws, the Charter or any rule or regulation adopted by the Association, the provisions of this Declaration shall control.

8.9 Binding Effect. The provisions of this Declaration shall be binding upon and shall inure to the benefit of the respective legal representatives, successors and assigns of Developer and all other Owners, and all Persons claiming by, through, or under Developer or any Owner.

ARTICLE 2: OFFICES

2.01. Registered Office. The initial registered office of the corporation shall be at Patterson Company, LLC, 1645 Westgate Circle, Brentwood, Williamson County, TN 37027, and the name of the registered agent of the corporation is Kevin D. Richter.

2.02. Other Offices. The corporation may also have offices at such other places both within and without the State of Tennessee as the Board of Directors may from time to time determine or the business of the corporation may require.

ARTICLE 3: MEMBERS AND MEMBERSHIP PRIVILEGES

3.01. Membership. Each Owner shall be a Member of the corporation and no other Person shall automatically be entitled to membership. No Member shall be required to pay any consideration whatsoever solely for his membership in the corporation. For purposes of these Bylaws, Members who are not in default in the payment of any assessment or other charge duly levied by the Association, and who are not in violation of any other provision of the Declaration, these Association Bylaws or the Rules and Regulations of the Association (the "Governing Documents") are "Members in Good Standing."

Developer reserve the right to afford membership privileges in the form of access to the common amenities to owners of other developments in the vicinity of that certain residential real estate development known as Riverview at Cumberland Hills in consideration of the payment of fees equal to the Assessments payable by an Owner or as specified in the Declaration. No Person entitled to such membership privileges shall be entitled to vote in the Association and shall not be considered a "Member" for any other purpose.

ARTICLE 4: MEETINGS OF MEMBERS

4.01. Place of Meetings. Meetings of the Members of the corporation may be held at a place to be determined by the Board of Directors within Davidson County, Tennessee, or such other place as the Board may reasonably determine.

4.02. Annual Meeting. The first regular annual meeting of the Members may be held, subject to the terms hereof, on any date, at the option of the Board of Directors; provided, however,

that the first meeting may (if necessary to comply with federal regulations) be held no later than the earlier of the following events: (a) eight (8) months after all of Lots and Units have been sold by the Developer; or (b) ten (10) years following conveyance of the first Lot or Unit by the Developer to a Class A Member. Thereafter, unless otherwise specified in a written notice from the Board of Directors, an annual meeting of the Members of the corporation shall be held during the first quarter of each calendar year on a date and at a time determined by the Board, at which time the Members shall elect a Board of Directors and shall transact such other business as may properly be brought before the meeting.

4.03. Special Meeting. Special meetings of the Members, for any purpose or purposes, may be called by the president, the Board of Directors, or upon a petition to the Board signed by Members having not less than ten (10%) percent of the total percentage values of those votes entitled to be cast at such meeting. All special meetings shall be held on a date and at a time and place set by the Board. Business transacted at all special meetings shall be confined to the subjects stated in the notice of such meeting.

4.04. Notice. Written or printed notice stating the place, day and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered to Members entitled to vote not less than fifteen (15) nor more than sixty (60) days before the date of the meeting, either personally, by mail, email or by such other means approved by the Board.

4.05 Quorum. The presence in person or by proxy of more than ten (10%) percent of the percentage values of those votes entitled to be cast at a meeting of the Members and at least ten percent (10%) of the percentage values of each class of Members shall constitute a quorum at all meetings of the Members for the transaction of business. If a quorum is not present, the Members entitled to vote shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum is present or represented, any business may be transacted which might have been transacted at the meeting as originally notified.

4.06. Majority Vote; Withdrawal of Quorum. When a quorum is present at any meeting, the vote of the holders of more than fifty per cent (50%) of the percentage values of those votes entitled to be cast of Members qualified to vote and present in person or by proxy, shall decide any question brought before such meeting, unless the question is one upon which by express provision of the Declaration, the Charter or these Bylaws, a different vote is required, in which case such express provision shall govern and control. The Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of Members leaving less than a quorum.

4.07. Method of Voting; Proxies; Written Ballots. Each Member in Good Standing (other than Developer while its Class B Memberships exist) shall be entitled to one (1) vote for each Lot or Unit owned by such Member. While its Class B Membership exists, Developer shall have five (5) votes for each Lot or Unit owned. No Member, other than Developer, shall be entitled to

vote at any meeting of the corporation until such Member has presented evidence of ownership of a Lot or Unit in Riverview at Cumberland Hills, if such evidence is demanded by the Board or its designee. The Board shall have sole authority to determine the sufficiency of evidence of membership in the corporation. The vote of each Member may be cast by such Member in person or by a proxy given by a Member to their duly authorized representative bearing a date not more than eleven months prior to such meeting or by any other means allowable under the Tennessee Nonprofit Corporation Act, Tenn. Code Ann. §§ 48-51-101, *et seq.* Proxies shall be filed with the secretary of the corporation prior to or at the time of the meeting. Members may also cast votes by written ballot prepared in compliance with the requirements of Tenn. Code Ann. Section 48-57-108.

If title to a Lot or Unit shall be in the name of two or more Persons, all of such Persons shall be Members of the corporation and shall be referred to as "Joint Co-owners." Any Joint Co-owner may vote at any meeting of the Members of the corporation and such vote shall be binding upon such other Joint Co-owners who are not present at such meeting until written notice to the contrary has been received by the Board in which case the unanimous vote of all such Joint Co-owners shall be required to cast their vote as Members. If two or more of such Joint Co-owners are present at any meeting, their unanimous action shall be required to cast their vote as Members of the corporation.

Re: *Riverview at Cumberland Hills; Davidson County, Tennessee*

To Whom It May Concern:

I am an attorney licensed to practice in the State of Tennessee. I have prepared legal documents required by Tenn. Code Ann. § 66-27-101, *et seq.* for the creation of the planned unit development within the Riverview at Cumberland Hills community, including the Charter and corporate bylaws of Riverview at Cumberland Hills Homeowners Association, Inc., and the Declaration of Restrictive Covenants for Riverview at Cumberland Hills recorded or to be recorded with the Davidson County Register of Deeds. Such documents are compliance with said statute and a planned unit development is created thereunder. This opinion is given for the limited purpose of complying with Tenn. Code Ann. § 66-27-103(b).

Sincerely,

Alvin L. Harris

EXHIBIT D
Grinder Pumps

DH071/DR071

General Features

The model DH071 or DR071 grinder pump station is a complete unit that includes: the grinder pump, check valve, HDPE (high density polyethylene) tank, controls, and alarm panel. A single DH071 or DR071 is a popular choice for one, average single-family home and can also be used for up to two average single-family homes where codes allow and with consent of the factory.

- Rated for flows of 700 gpd (2650 lpd)
- 70 gallons (265 liters) of capacity
- Indoor or outdoor installation
- Standard outdoor heights range from 61 inches to 160 inches

The DH071 is the "hardwired," or "wired," model where a cable connects the motor controls to the level controls through watertight penetrations.

The DR071 is the "radio frequency identification" (RFID), or "wireless," model that uses wireless technology to communicate between the level controls and the motor controls.

Accessories

E/One requires that the Uni-Lateral, E/One's own stainless steel check valve, be installed between the grinder pump station and the street main for added protection against backflow.

Alarm panels are available with a variety of options, from basic monitoring to advanced notice of service requirements.

The Remote Sentry is ideal for installations where the alarm panel may be hidden from view.
