General Fine Policy and Parking Enforcement Policy

This General Fine Policy and Parking Enforcement Policy is adopted by the Board of Directors ("Board" or "Directors") of Burton Farms Homeowner's Association ("Burton Farms" or "Association") to provide a fair, equitable and consistent policy and application of due process for the enforcement of existing and future Rules and Regulations which may be adopted by the Board from time to time; and, to the extent enforcement provisions do not already exist, for the enforcement of the Declaration of Covenants, Conditions and Restrictions for Burton Farms ("Declaration") and the By-Laws of Burton Farms Homeowner's Association, Inc. ("By-Laws") and any and all amendments thereto.

All capitalized terms used herein shall have the meanings set forth in the Declaration, By-Laws and all amendments thereto. All complaints regarding non-compliance with Rules and Regulations, the Declaration and/or By-Laws, shall be signed and submitted in writing to the Association management company.

1. **General.** Except as otherwise noted in the Rules and Regulations, the Declaration and/or By-Laws, violation of Rules and Regulations, the Declaration, By-Laws or any all amendments thereto shall be enforced as follows:
 - a. **Courtesy Notice.** Upon the first inspection and finding of a non-compliance issue, a Courtesy Notice will be sent to the Owner. The Courtesy Notice will indicate the date of inspection and the issue of non-compliance and will request that the violation be remedied within ten (10) calendar days of the date written on the Courtesy Notice.
 - b. **Repeat Violation:** 2nd Notice of Violation - \$100.00
 - c. **Repeat Violation:** 3rd Notice - \$150.00.
 - d. **Repeat Violation:** 4th Notice - \$200.00.
 - e. **Continuous Violation:** After ninety 90 calendar days of consecutive non-compliance, the Board will have the option of taking legal action to remedy the issue. In addition to fines assessed, the Owner will be responsible for attorney's fees, court costs, and any other applicable fees

accrued, and may be subject to suspension of voting rights until the non-compliance is resolved. All monies collected for fines will go to the operating account of the HOA.

Examples of non-compliance or violations include, but are not limited to, blocking sidewalks, trash cans being left out in public view, unmaintained yards or home upkeep, and improvements made without prior written approval from the HOA.

2. **Parking Policy.** The Declaration authorizes the Board to make and enforce reasonable rules and regulations governing use of the Property. The Board establishes the following rules and guidelines to promote a safe environment and reinforce applicable laws and ordinances of the City of Smyrna and State of Tennessee. Non-compliance may result in warnings or fines under this General Fine Policy and any other remedy available to the HOA. Owners and others may also face citations, fines, or other recourse by the City of Murfreesboro and/or other authorities.

- a. Vehicles parked on the street must be parked in the same direction as the flow of traffic (i.e., right wheels next to curb).
- b. Vehicles must not be parked on the curb or on the grass.
- c. Vehicles must not be parked on or block sidewalks.
- d. A vehicle must not be parked parallel to another vehicle parked on the street.
- e. Vehicles parked on the street must not prevent the free, unobstructed movement of traffic. (See Tenn. Code Ann. § 39-17-307(a)(1).) This congestion also presents a safety issue regarding access by emergency vehicles.
- f. Vehicles must leave three (3) feet of clearance from a trashcan placed on the curb for collection. Conversely, Owners should not place trashcans within three (3) feet of a parked vehicle. Waste Management requires three (3) feet of clearance between trashcans and any object, including parked vehicles, to allow the automatic arm to lift and empty trashcans. Owners are encouraged to work together to comply with this requirement while maintaining adequate parking.

- g. Pursuant to Declaration Section 16, all recreational vehicles must be kept on the rear one-fourth of any lot unless kept in the garage. All recreational vehicles are to be kept on poured concrete pads.

Owner Responsibility. Owners may be held responsible for the actions of their occupants, tenants, and/or guests.
