

DUMPSTER RULES

- Resident Use Only
- Securely bag your trash and place it inside the dumpster.
- No large items (Ex: TV's, computers, furniture, bedding, etc.)
 - If it does not fit in the side door of the dumpster, do not put it in the dumpster. It will be your responsibility to properly dispose of any large items. Contact your City for proper disposal locations. Anyone found placing large items inside or outside of the dumpster will be subject to fines per the association's fine policy.
- If the dumpster is full, please notify the management company
- Do not over fill or place trash of any kind on the ground
- NO PARKING is allowed in front of the dumpster

ITEMS NOT ALLOWED IN GENERAL WASTE CONTAINERS:

- Oil rags, etc. (any type of oily drilling waste)
- Tires
- Appliances (white goods)
- Hazardous Waste
- Liquid Waste
- Industrial Waste (including dirt)
- Chemical Products
- Fluorescent tubes
- Oil Filters (unless drained for 24 hours)
- Furniture such as bed frames, mattress, desk, chairs, etc.
- Construction debris such as but not limited to wood, sheetrock, doors, etc.
- Paint, Thinner or remover cans (unless RCRA empty, solidified or triple rinsed)
